The Honorable Cambridge City Council
795 Mass. Ave.
Cambridge Ma.

Dear City Councillors,

I would like to go on record as congratulating Councillor Tom Danehy for the naming of the New St. Park in his name. This will be an extremely significant park for the young people of the city and I would like to commend all the city councillors for your support of the project.

I would also like to state that many residents of the city would be interested in seeing a street hockey surface being developed as part of the project. There are hundreds of youth in the city who would make use of a street hockey surface. Next week Mayor Vellucci will be hosting the 4th annual Mayor's Cup Floor Hockey tournament, which I initiated. If the plans are not set in stone with regard to the park, please favorably consider this request.

Sincerely,

Jonathan Myers
