To Whom it May Concern:

We the Cambridge Youth Council need the support of you, The City Council to help find a vacant spot in East Cambridge, for the kids of East Cambridge. The need is to keep kids off of the street and out of trouble. The support is of the City Council and people in Cambridge. What we are asking for is a place for east Cambridge kids to go. Benefit is all the things that other teen centers provide kids with.

For example:

Keeping kids off the streets

Helps them locate jobs

offers trips

and games can be provided to them right in the teen center.

We the youth Council would like this teen center available by the mid-year of 1985. What is needed is pool tables, ping pong tables, a lounge, and other facilities. The most important is counselors.

We would like to thank the city council for the help and support that they have already given us, and for the many more yet to come.

Sincerely Yours
The Cambridge Youth Council
