Dear Mr. Connarton,

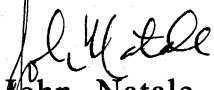

We, the Small Property Owners Association of Cambridge, request a public hearing before the City Council to propose the following change to the Rent Control Regulations:

Every owner/occupied building shall have three units exempt from rent control (the owner's and two others). The exemption shall take place six months after the owner identifies the exempt units to the current tenants and to Rent Control.

If possible, we would prefer to be heard after April 10, 1989.

Thank You

Very Truly
