To the Honorable, the City Council:

With respect to Awaiting Report Item No. 20 regarding buses parked overnight in the vicinity of Corcoran Park, please be advised that the School Department contracts with Vocell Bus Company for some of their transportation services. The Company permits the operators of their minibuses used for special education transport to take the vehicles home.

This is a permitted practice as long as they are parked legally. I will notify the Police and Traffic Departments to monitor the legality of the parking.

Very truly yours,

Robert W. Healy
