I strongly urge the City Council
to pass a strong ordinance for the
care and use of Lab Animals in Cambridge.
I'm 1989 JUN 15 APR 12:05
because Cambridge MA provides for public review
of experiments by a citizen board,
inspection of facilities by responsible
individuals and at least one animal
welfare advocate or Animal Care
Committee within institutions.
Sincerely, Jane Ruth

Dear Councillors:

I urge the City Council to adopt a strong Ordinance for the Care and Use of Laboratory Animals in the City of Cambridge. I support the Ordinance because it provides for public review of experiments by a citizen board, inspection facilities by responsible representatives, and requires at least one animal welfare advocate on Animal Care Committees within Institutions. I believe that the City must ensure that Animals are not mistreated behind closed doors. The Citizens of Cambridge have a right to know what is going on in laboratories in their neighborhood.

Thank you.

Sincerely,

Hedwig Schleiffer, Ph.D.

Dear Councilors;

I urge the City Council
To adopt a strong
Ordinance for the care and
Use of Laboratory Animals in
the City of Cambridge. In
To long experiments on these
helpless creatures has been
kept from the public. It is
vital to provide a public
review of experiments by a
Citizen board, inspection of
facilities by responsible
representatives, and an
Animal Welfare advocate
on Animal Care Committees
within institutions. I
believe the City must

these laboratories,

These animals give up
their lives so we can
