Dear Paul:

This will acknowledge your recent correspondence in which you enclosed a copy of the City Council's Resolution concerning United States policy in Central America. Thank you for sharing the thoughts of the Council with me.

I wholeheartedly endorse each of the Council's recommendations, and will continue to advocate the termination of United States aid under conditions as they now exist, as well as the conduct of negotiations to achieve a peaceful end to the conflict.

Once again, thank you for advising me of the City Council's concerns with this important matter.

With every good wish,

Sincerely,

Thomas P. O'Neill, Jr.
The Speaker
