Re: Policy order #6

Date: April 23, 2001

I know most of you have been involved with the Living Wage action at Harvard. At the request of several of its leaders, I filed the order reaffirming our support for their campaign. Subsequently, they asked that I amend it state that we, as a group, would immediately request a meeting with Rudenstine to discuss the issue. So, when it comes up, I'll propose an amendment to that end.
