~~XXXXXX 29, 1991~~

To The Honorable, The City Council:

In response to Awaiting Report Item No. 55, regarding dust blowing from Donnelly Field, please be advised that for the past two months the Parks Department have been watering down the fields with a water cannon on a rotation schedule every two or three days.

As soon as funds become available an irrigation system will be installed in order to water the field on a continuous basis.

Very truly yours,

Robert W. Healy
City Manager
