

City of Cambridge

2

IN CITY COUNCIL

Councillor William H. Walsh

April 10, 1989

WHEREAS: On one of the busiest streets in the city the condition of the roadway at the railroad crossing and the railroad crossing itself, located between numbers 674 and 686 Cambridge Street, continues to deteriorate and cause excessive noise for the people who live and work nearby as well as severe vibrations to their properties; now therefore be it

ORDERED: That the City Manager take the necessary steps, involving both the appropriate city departments and appropriate personnel of the railroad, for installation of rubber panels parallel to the tracks along the surface of the approach to the railroad crossing which will cushion the impact of traffic and thereby lessen the noise and vibration presence; and be it further

ORDERED: That the City Manager report back to this Council as to progress on this by May 8, 1989.
