WHEREAS: Emergencies that require police, fire or emergency medical services can occur at anytime; and

WHEREAS: When an emergency occurs, the prompt response of police officers, firefighters and paramedics is critical to the protection of life and the preservation of property; and

WHEREAS: The safety of our police officers and firefighters is dependent upon the quality and accuracy of information obtained from citizens who telephone the Cambridge Emergency Communications and 911 Center; and

WHEREAS: Emergency Communications Dispatchers are the first and most critical contact our citizens have with emergency services; and

WHEREAS: Emergency Communications Dispatchers are the single vital link for our police officers and firefighters by monitoring their activities by radio, providing them information and insuring their safety; and

WHEREAS: Emergency Communications Dispatchers of the Cambridge Emergency Communications Department have contributed substantially to the apprehension of criminals, suppression of fires and proper treatment of persons with medical emergencies; and

WHEREAS: Emergency Communications Dispatchers handle hundreds of thousands of non-emergency telephone calls in a year, many of which are greatly related to the quality of life in our city; and

WHEREAS: Each dispatcher has exhibited compassion, understanding and professionalism during the performance of their job in the past year; now therefore be it

RESOLVED: That the City Council of Cambridge declares the week of April 12th through 18th, 2000 to be National Telecommunicator's Week in Cambridge, in honor of the men and women whose diligence and professionalism keep our city and citizens safe.

In City Council April 10, 2000.

Adopted by the affirmative vote of eight members.

Attest:- D. Margaret Drury, City Clerk.

Proclamation

MAS all

National Telecommunicator's Week

April 12 -- 19, 1998

Whereas emergencies can occur at anytime that require police, fire or emergency medical services;

And Whereas when an emergency occurs, the prompt response of police officers, firefighters and paramedics is critical to the protection of life and the preservation of property;

And Whereas the safety of our police officers and firefighters is dependent upon the quality and accuracy of information obtained from citizens who telephone the Cambridge Emergency Communications and 911 Center;

And Whereas Emergency Communications Dispatchers are the first and most critical contact our citizens have with emergency services;

And Whereas Emergency Communications Dispatchers are the single vital link for our police officers and firefighters by monitoring their activities by radio, providing them information and insuring their safety;

And Whereas Emergency Communications Dispatchers of the Cambridge Emergency Communications Department have contributed substantially to the apprehension of criminals, suppression of fires and proper treatment of persons with medical emergencies;

And Whereas Emergency Communications Dispatchers handle hundreds of thousands of non-emergency telephone calls in a year, many of which are greatly related to the quality of life in our city;

Margaret Drury
