Dear Senator Barrett:

On September 14, 1992, by a unanimous vote, the Cambridge City Council passed an order directing the City Clerk to seek assistance from our state legislators with regard to an MBTA bus shelter at the bus stop on Concord Avenue near St. Peter's School and the corner of Buckingham Street.

This area is heavily used by senior citizens and school children, as this stop is along several different bus routes. A request to the MBTA for a shelter at this spot was originally made to the MBTA in August of 1989. I am attaching both City Council Orders, along with City Manager Robert Healy's letter to John J. Haley, Jr., General Manager of the MBTA.

Thank you very much for your prompt attention to this matter. I will plan on calling your office next week to confer as to what additional steps I should take in this regard.

Sincerely,

D. Margaret Drury

Dear Mr. Haley:

By order of the City Council, I have been requested to confer with you regarding a bus shelter at the bus stop on Concord Avenue near St. Peter's School and the corner of Buckingham Street (Council Order #66 of September 14, 1992). This request was originally made to the MBTA in August of 1989; both City Council orders are attached.
