Re: Engineering Services
Energy Conservation

Dear Councillors:

Federal funds will be available to cities and town for Technical Assistance Audits on Town Buildings. Applications for funds must be submitted to the Massachusetts Executive Office of Energy Resources by May 2, 1983.

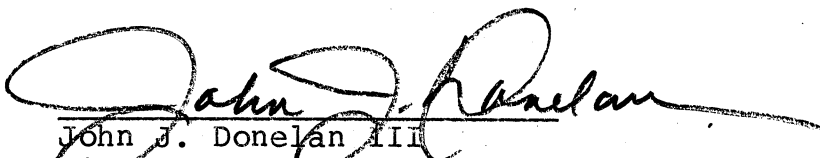

Our firm has extensive experience in this area and we have completed numerous Technical Assistance Audits for Massachusetts schools, hospitals and public buildings.

The Richard D. Kimball Company would be pleased to submit a proposal for your Technical Assistance Audit.

If we can be of assistance, please call.

Very truly yours,

RICHARD D. KIMBALL COMPANY
