Dear Ms. Albano,

On behalf of Bella's sister, Helene, her daughters, Eve and Liz, and the WEDO family, we would like to thank you for your heartfelt condolences and touching message of support. It is with profound grief and loss that we mourn the death of Bella, our co-founder and president.

Bella has left a living legacy. We will carry on her brand of passionate politics, fighting for women's rights, social justice, peace and a healthy environment.

To honor her, we are also compiling a collective of anecdotes, recollections and other stories for a book called "Bella and Friends." As a friend or colleague having worked with her over the years, we would welcome hearing from you. A few paragraphs or several pages describing your experiences with Bella would be most welcome. Photos would also be appreciated.

In response to numerous inquiries about contributions in honor of Bella, her daughters have requested that tax-exempt donations be sent to WEDO for a Bella S. Abzug Memorial Fund that will carry on her work.

With thanks and warm regards,

*Mim Kelber*
