

To the Mayor, Aldermen ~~and board of Councils~~
of the City of ~~East~~ Cambridge.

The petitioners having been informed
that in erecting their buildings for an ice house on the
grounds of the Boston Lowell & Nashua R.R. Co on

Street have extended one corner some few feet
over the line of said Street. Not knowing that they
had done so, until recently the building having
progressed so far and the moving ~~the same~~ thereof
~~will~~ be attended with considerable expense to the Ice
Company, it not being probable that any further
improvement will be made on said Street for several
years which would be interfered with by said building.

Your petitioners would respectfully ask that the building
be allowed to remain as now standing until it is necessary
to be moved for the ^{future} improvement of the Street and Your
petitioners will ever pray &c
