

City of Cambridge

7.

IN CITY COUNCIL

February 10, 1975

Councillor Vellucci

WHEREAS:

On December 9, 1974 Harvard University and the Monsanto Chemical Company entered into an agreement to join together their research skills in an unprecedented way, and

WHEREAS:

The Monsanto Company, under this agreement, is committed to invest up to twenty-three million dollars in various segments of research over a twelve year period, and

WHEREAS:

Harvard University will continue and expand its research in basic medical biology, one part of which is a specified and highly promising cancer related study, and

WHEREAS:

Everyone knows of the many deaths across the country caused by cancer, we should be most grateful to Harvard University and the Monsanto Company for their farsightedness in this scientific research area, therefore be it

RESOLVED:

That this City Council go on record extending our congratulations and best wishes to Harvard University and the Monsanto Chemical Company in this unprecedented research project.
