To The Honorable, The City Council:

I am hereby requesting the appropriation of \$15,000.00 to the Public Investment Fund Library Department Extraordinary Expenditures Account from Free Cash. The funds will cover the conversion cost from oil to gas heating system at the O'Connell Branch Library. The conversion cost will include all of the necessary piping modifications to the existing oil system, removal of the oil system including the underground tank and it's contents as well as installation of a gas burner services. The current heating system is cracked and had to be shut off after excessive black smoke came out of the chimney in early April.

Very truly yours,

Robert W. Healy
City Manager
