To The Honorable, The City Council:

As the end of the Fiscal Year approaches, some unanticipated yet necessary transfer will be needed to maintain appropriation controls. The majority of these transfers involve funding employee contract settlements from the Salary Adjustment account. The funding for this account was approved by the City Council on October 2, 1995.

In recognition of this fact, the City Council, for the past 19 years, has authorized the City Manager to make necessary transfer from available balances to those needing supplementation to process year-end bills.

Passage of this order will permit the same activity to occur this year.

Very truly yours,

Robert W. Healy
City Manager
