OFFICE OF THE CITY CLERK
CAMBRIDGE, MASSACHUSETTS

To all Cambridge City Councillors

Dear Councillor:

I'm appalled at the casual attitude towards security at the B.U. bridge area.

After all the interspecies murders (geese and a year ago a homeless woman) there isn't

round the clock security (24 hr.) as there used to be before the murders. I strongly

feel that at the very least there

should be round the clock security patrols

of the goose meadow area.

I also am aghast at the plans

(the B.U. bridge area). This shortsighted plan proposed by the MDC and the City of Cambridge would destroy an ecological gem and needs to be ~~permanently~~ ^{permanently} ~~permanently~~ tested.

Thanks in advance for your
attention on this,
