To the Honorable, the City Council:

Please find for your review and action an appropriation of \$10,000 in the general fund License Commission Other Ordinary Maintenance Account; this appropriation will be supported by additional License revenue.

These funds will be used to for consulting services to assist the License Commission as it considers a rate increase for the taxi industry. Specifically, the consultants work will involve analyzing the cost profile of the taxi industry, designing an actual meter rate to further taxi service, and participating in a public hearing involving the fare increase and taxi service issues.

I urge your approval of this appropriation.

Very truly yours,

Robert W. Healy
City Manager
