

City of Cambridge.
Mayor's Office.

Cambridge, March 31st, 1893.
J. A. Lovell & Co. Boston

To the Honorable the City Council,

Gentlemen:-

I beg to call your attention to the provisions of Section 5 of Chapter 24 of the Revised Ordinances, which forbids street watering until an amount equal to one half the expense thereof has been subscribed and paid into the hands of the treasurer.

The operation of this ordinance is the source of no little annoyance because the streets are frequently clouded with dust when no subscriptions have been paid in.

I recommend that the ordinance be so amended that a sum not exceeding \$2500. without restriction may be expended for street watering (to be charged to the appropriation therefor) when in the discretion of the Mayor it may be necessary.
