

March 28th.

To the Mayor and members of the Council

As, on all the petitions,
of the Observatory Hill Branch,
I am dismayed, at the thought
of losing our library.
Reading is one of my greatest
pleasures.

Not being able to drive
it will be difficult for me,
to go to the Bedford Branch.

I trust that you will
make every endeavour to
find a location on the hill.

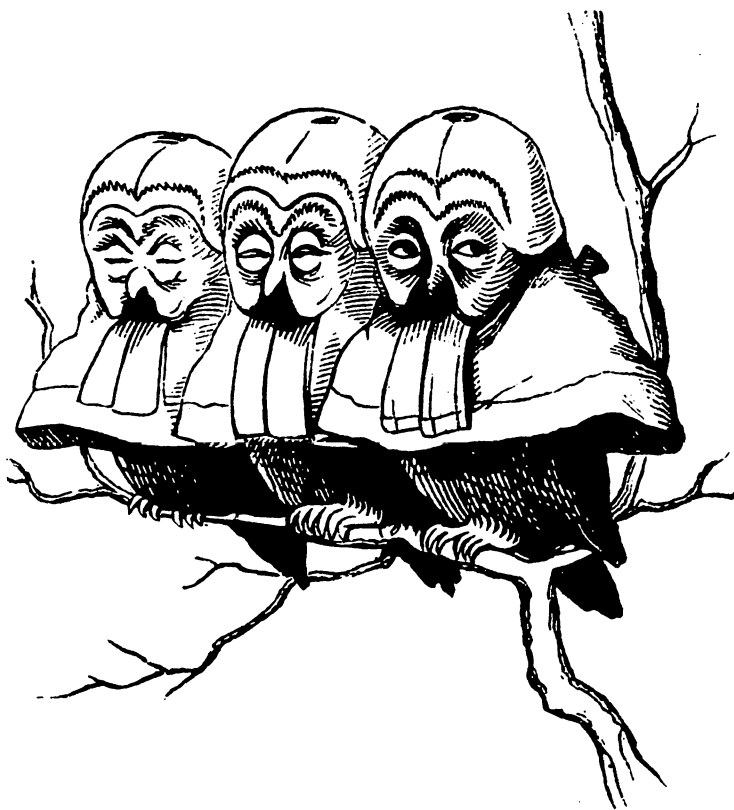

Thank you.

Sincerely
