Deputy City Manager

October 1, 1990

To the Honorable, the City Council:

In response to Awaiting Report #52 of September 10, 1990 regarding sign posting and pothole repair on Sacramento Place, please be advised of the following:

Commissioner of Public Works William Sommers reports that the street was patched during the past few weeks; the Department will check the area again to see if more is needed. Please note that the street will be ground and overlaid under contract three of Phase VI of the sewer program.

Deputy Traffic Director Lauren Preston reports that a "Dead End" warning sign is needed and will be installed by October 5, 1990.

Very truly yours,
