

City of Cambridge Feb 20. 1861
 To the Surveyors of Highways,

The undersigned who was directed by an order of the 13 inst to ascertain, and report for what sum the various draws belonging to the City can be raised the present year, has considered the same, and asks leave to.

Report

By submitting a statement of the various sums paid the past year for the same purpose,

Prison Point Bridge, Paid J. B. Burroughs	\$ 45.
River st & Western Avenue, " David & Bates	327.
Court Street Bridge " Sanborn & Langhrey	111.
Great Bridge " E. Willard & others	153. \$ 636.
Canal Bridge " Cyrus Bruce	436.
West Boston Bridge " C. W. Blaney	344. 780.
	\$ 1416.00

It is proper to add in explanation of the above, that a stated sum per annum, is allowed for hoisting the draws of Prison Point Bridge, Canal Bridge, and West Boston Bridge, and that for hoisting at Court Street, River Street, Western Avenue, and at the Great Bridge, the cost depends upon the number of vessels which go through the same,

Respectfully Submitted
