COUNCILLOR MYERS  
COUNCILLOR BORN  
COUNCILLOR TRIANTAFILLOU

**WHEREAS:** The city is experiencing a very difficult winter for snow and ice removal; and

**WHEREAS:** By and large the efforts of many have been excellent in ensuring that the city's streets are cleared and passable to the city's residents; and

**WHEREAS:** In particular, members of the city manager's office, DPW, police, fire, traffic, and water, and others have worked many extra hours to ensure that plowing routes and other city services got handled very well; and

**WHEREAS:** In that it now appears that the mechanics of the very complex snow removal have been well orchestrated, as further evidenced by the publication of the Snow Manual 1993-1994 that has just been received by the City Council; and

**WHEREAS:** Because of the good effort going on in many areas, it is important that the residents and businesses of the city be informed of the city's methods and response in handling snow emergency; now therefore be it

**RESOLVED:** That the City Council request the City Manager and the Deputy City Manager to confer with appropriate city staff to fully consider ways that the public can be consistently notified of city snow removal and snow emergency policies, including, but not limited to snow emergency procedures, penalties for parking on certain streets, alternative parking sources to the extent that they exist, how to get information, who to call, and hotline numbers etc.; and be it further

**RESOLVED:** That the City Manager be and is hereby requested to work with the Deputy City Manager, and city personnel to fully consider ways that this information can be distributed to the public including: a one or two page guide, the idea raised by Councillor Triantifillou for distribution with parking stickers and other forms including the use of Municipal Channel 37 aimed to communicate to residents and businesses about snow removal and emergency policies in the City.
