

Cambridge. June 6. 1871.

To the Honorable
Mayor + Aldermen of the City of Cam-
bridge.

The undersigned resi-
dents and abutters on Mt Auburn
Street respectfully represent that
said Street is one of the principal
thoroughfares of the city, that it is
very much used for foot travel
and that when the frost is coming
out of the ground the sidewalk on
the South side is in a very bad
condition. They therefore respectfully
ask that the petition of Wm Wright
for a brick sidewalk on said Street
may be granted.
