YOUTH SOCCER

Eagles out-Fox Norfolk

The Cambridge Eagles (U14-G, Div. 3), were victorious again over the Norfolk KPs with a 4-0 shutout on home turf. Newcomer Anne Fox sunk two of the goals, with assists from Evi Elias, Emma Stickgold, Maja Toncic and Pendry Haines.

Forwards Leah Jackson and Kristin Phillips scored the other two goals. Numerous attempts by the KPs were stopped by the fearless goaltending of Leah Jackson and Maja Toncic, or were stolen by the swift footwork of Ndidi Menkiti, Tracey Roosevelt, Mary Hodges, Thea Aldreic, Hilary Falb and Carrie Kindleberger.

The real story, however, is in the outstanding sportsmanship displayed on and off the field by the KP players, coaches and parents. The KPs demonstrated that aggressive, competitive play can also be fair play, especially under pressure of an impending defeat. In an extraordinary gesture, after the games the KPs presented a get-well card, signed by each team member, to the injured Sonia Totten-Harris, who broke her leg in play during the previous Norfolk game.

U12 G Meteors manhandle Marlboro

The Division 2 Cambridge Meteors' record now stands at 4-3-1 following a thorough trouncing of Marlboro with only 12 players on Saturday, May 18. Although the Meteors' goalkeeper and back-up goalkeeper were both absent, Joelle Hobeika, Karen Kruger and Lucy Luyerink-Haskovec filled out the net well and allowed only one goal on a Marlboro breakaway.

Molly Hanna, Nora Fairbank and Lizzie Owens provided outstanding defense, while regular defense persons Jaime Wendel, Eleanor Boudreau and Mia Mayhew explored the offensive end of the field, each taking some shots on net. Lauren Schuker and Yasmin Safdie played a solid game in the midfield, keeping the ball in Marlboro's defensive end and taking a number of shots from outside of the penalty box.

Hobeika, when she escaped the net, scored two goals, one assisted by Mayhew. Luyerink-Haskovec scored a goal assisted by winger Amanda Aldrich, and Kruger scored a great unassisted goal, breaking away and taking the ball all the way downfield. The final score was 4-1 Cambridge.

Lightning v. Lightning

U14B Cambridge Lightning team decimated the Sudbury Lightning on Saturday, May 18. With both teams at only 13 players, the game began slowly. Cambridge struck first, with Isai Bradshaw slipping a great centering pass from Ian Chester into the net.

Sudbury quickly retaliated with a penalty shot goal following an inadvertent handball in the penalty box. This goal was to be Sudbury's lone goal in the game. From then on, Cambridge took control and barraged Sudbury, leaving, Cambridge goalkeeper Collie Wendel and Peter Hellwig fielding fewer than 10 shots in the game.

Hellwig was fierce in the box during Sudbury's few scoring opportunities in the second half as the Cambridge defense tired. Next to get into the act for Cambridge was Ian Chester, with a great chip shot up over the goalie's head. Speedy winger Jadd Jennings put in goal number 3 for Cambridge. At the half, the score stood at 3-1. With the play uneven, Cambridge changed the lineup, but the result was the same.

Regular sweeper Micah Pierce put in a beautiful shot from 30 yards out on the left side, stopper Chris Hiam put in a header, regular keeper Collie "Fake 'em Out" Wendel assisted Chester with a well-placed throw in, and the Lightning's unsung midfield hero, Nikias Stefanakis, after assisting others' goals all season, put in a goal of his own to make the score 7-1.

Micah Rome, Philip Sima and Sebastiaan Kwakkenbos were unbeatable on defense, despite playing the entire game without substitution. Kabir Makaddam and Tarek "Taz" Salameh, along with Stefanakis, were outstanding in midfield throughout the game The Lightning's record now stands at 4-3-0.

Cougars split

Under 10 Girls Cougars played two games on Saturday, May 18, losing the first to an impressive Foxboro squad 7-1 and bouncing back to take control of the field from a strong Norfolk side for a 3-2 win later in the afternoon.

From the start, Cambridge had difficulty containing Foxboro's attack and while the Cougars had some strong offensive drives, momentum built against them as they found themselves out-maneuvered at both ends of the field. Foxboro scored twice in the first 10 minutes of play and kept up steady pressure throughout the game.

The entire Cougars squad can take pride in their determined play against an opponent playing at peak form and, late in the game, creating the attack which led to Joanna Levy scoring the lone Cambridge goal. Marcia Whitehead and Kendall Taggart shared an excellent job of goalkeeping under difficult circumstances.

Two hours later, the Cougars took the field in Norfolk and set a different tone from the start with Kendall Taggart scoring off a Cambridge corner in the fourth minute. Norfolk tied the score briefly, but Jessie Freeman put the Cougars ahead for good in the 18th minute. Gina Pritchett, Kinnon McCall, Joanna Levy and Tallulah Knopp kept the offensive pressure on, resulting in one corner kick after another while Marcia Whitehead, Elizabeth Spence and Flora Jane Capaldi provided a rock solid midfield and defensive presence and Lucy Emerson-Bell ably anchored the defense as keeper.

Early in the second half, with the Cambridge attack still providing opportunities, Whitehead scored off yet another corner kick. While Norfolk converted on a penalty kick a few minutes later and Freeman had a chance to see some action as second-half keeper, the Cambridge pressure never let up and the final outcome was never in doubt.

Galaxy report

U11 Girls Cambridge Galaxies played Lexington twice last weekend, winning 3-0 at Danehy Field last Saturday and tying 0-0 in Lexington on Sunday.

Goals by Charlotte Born, Rachel Shing, and Elizabeth Walsh highlighted Saturday's victory. Henrietta Oakley and Tara Zagoren made key offensive plays, while Vera Brockhuysen and Esme von Hoffman shared defensive honors with goalkeeper Rebecca Groves.

Sunday's game was a hard-fought, well-played contest. Goalkeepers Groves and Sara Gaynor keyed a defensive effort that also featured outstanding plays by Rachel Parkin and Katherine Mackey. End-to-end rushes by Born and Margaret Flanagan set up the Galaxies' best scoring chances, which included near-misses by Walsh, Lucy Keating and Aiden Carey. In the final minute, Amanda Pillsbury adroitly trapped a Flanagan pass in front of the Lexington goal and fired a shot that barely went awry.

DIAMOND NOTES

Babe Ruth action

Babe Ruth baseball saw some heated competition between the members of the National Division this past week. The Yankees, Tigers, White Sox and Indians have all been playing good baseball of late, which should make for an interesting run in these last few weeks before the playoffs.

The Yankees, coming off a tough loss on Friday night against the Indians, took out their frustrations on the Tigers Saturday, then on the American Division-leading Twins on Sunday. They combined for well over 20 runs over both days for an impressive showing.

Managed by Paul Abreu, the team is led by 15-year-olds Peter John, Mike Lewis, Luke Hobgood-Chittick, Marc Holland, Michael Nicoloro and Garrett Tingle, and by returning 14s Ray Gaudet, Karim Browning, Nick Burke, Jo-el Kimaiyo and Andrew Power-Koch. New faces include Michael Brennan, Patrick Downes, Ty Macomber and Ronnie Owens.

The Tigers, who faltered a bit over the weekend with a pair of losses, still cannot be counted out. Earlier in the week they punished the Red Sox with a big win on Tuesday night. Experienced manager George Alexander has done well with a team plagued by injury and unavailability of players.

The elders of the team are Danny Marshall, Matt Stuart, Carter McEvoy and Evan Osler, while 14-year-olds David Graham, Corey Santasky, Greg Ashe and Peter Calioro have helped carry the workload, as have the freshmen Brendan Marshall, Ken Cleary, Dom DeFrancisco and John Braga.

The White Sox have done the job quietly, beating unsuspecting teams with enough runs and solid defense. Managed by Rawhl Adams, they have the talents of 15-year-olds Q.B. Harding, Steven Magalhaes and Jit Patel, along with 14-year-olds Nick Page, Michael Payack, Dimitri Zagaroff, Sam Osceola, Isaac Cheah and Chris Belloste. Contributing as 13-year-olds are David Killion, Mike Stone, Jermaine Baines, Keith Thorne-Bingham and Adam Williams.

The division-leading Indians have been on fire. With only one blemish on their otherwise perfect record, they disposed of the likes of the Yankees, Red Sox and A's this past week. Manager Bert Ortiz has quite a lineup with 15-year-olds Danny Caceres, Robert Green, David Nelson, Surpaul Cottrell and Noe Lopes leading the way, along with 14-year-olds Isaiah Bradshaw, Derek Correia, Byron Lowe, Drew Walker and Shawn Fitzgibbon. Rounding out the squad are newcomers Greg Campbell, Olrick Lucien, Marquis Rose and Jamie Crawford.

No team can be ruled out as the competition will be fierce in the upcoming weeks. Teams in both divisions will scramble for positions in order to make the playoffs in June.

Dodgers first in West Little League

Ownership of first place in the West Division remains unchallenged as the Dodgers swept the Yankees. Once again, the pitching of Josh Model, Nick Barber and Jeff Friedman held the hard-hitting Yankees to seven runs during the series. Excellent defense by Andrew Kitaef, Greg Megerdichian and Nick Cetrulo offset the Yankee hitting led by Alex Felix, who homered during the series. The Dodgers are now 6-0.

The battle for second place between the Astros and the A's saw the Astros take a two-game series. In the first game, James Cleary pitched a one-run game as the Astros beat the A's 18-1.

Offense was powered by John Pasquarello, Alex Brown and James Bailey. In the second game, a grand slam by Ian Moynihan and solid pitching by Dwayne Tynes overcame an early lead by the A's. Tim Dunphy showed excellent velocity backed up by fine defense of Mark Kitaef, Peter Dunn and Sam Griswold. The A's offense was lead by Dan Neczypor who hit three home runs in four at bats for the A's in the effort.

In the minors

In minor league action, the Rockies established themselves as the sole owner of first place. The Rockies defeated the Phillies 7-4 behind the pitching of Thomas Bailey and fine defense of Robbie Moore and the offense of Lucas Harney.

The Rockies also defeated the White Sox in a slugfest, 12-9, with Sean Dillion pitching. For the win, the hitting of C.J. Silveira, Thomas Bailey and Marsha Whitehead and the defense and hustle of Nick Kitaef. The Phillies, one game behind the Rockies, defeated the White Sox 11-7 pitching Will Clift, Chip Malt and Noah Gardner. The Phillies had great hitting from Jeremy Levine and Chip Malt and excellent defense from Chris Hancman.

The Phillies also defeated the Cubs 5-0, with excellent offense by Guilio Pertile, Nick Hunter, Liam Walsh, Piero Pertile and Chris Shiley. Chip Malt and Noah Gardner pitched the shutout. The Red Sox find themselves with a 4-2 record after three weeks of play. Having yet to find themselves offensively, the Red Sox have relied upon the combined pitching effort of Daniel Sanoff and Daniel Kelsey who have recorded 53 strike outs, while yielding only 16 hits.

11 COGSWELL AVENUE
LEGAL NOTICE
MORTGAGEE'S SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain mortgage (the "Mortgage") given by Nancy Venti and Jean Venti to Cambridge Trust Company dated September 17, 1993, recorded with the Middlesex South Registry of Deeds in Book 23679, Page 594, of which Mortgage the undersigned is the present holder, for breach of the conditions of the Mortgage and for the purpose of foreclosing the same, there will be sold at Public Auction at 10:00 o'clock a.m. on the 6th day of June, 1996, at the mortgaged premises, all and singular the premises described in the Mortgage,

To wit: Unit #1 ("Unit") 11 Cogswell Avenue, Cambridge, Middlesex County, Massachusetts, a Condominium established by M. Ellen Riley, as she was general partner of the Cogswell Thissell Limited Partnership, by the Master Deed dated December 31, 1984, recorded in said Middlesex South District Registry of Deeds at Book 15961, Page 453 as ("Master Deed"), pursuant to Massachusetts General Laws Chapter 183A ("Chapter 183A"), which Unit is shown on the floors plans of the Building filed with said Master Deed to which is affixed the verified statement of a registered architect in the form required by section 9 of said Chapter 183A.

Said Unit is conveyed together with:

1. An undivided 5.61 (%) per cent interest in the common areas and facilities of the Property described in the said Master Deed ("Common Elements") attributable to the Unit and its additional parking space, if any.

2. An exclusive right to use the parking space and storage space designated by the Master Deed.

Said Unit is conveyed subject to and with the benefit of the rights, restrictions, easements and matters set forth in Mortgagors' Deed deferred to below.

For Mortgagors' title see deed dated October 5, 1986, recorded with Middlesex South Registry of Deeds at Book 17465, Page 010.

Property address: 11 Cogswell Avenue, Unit #1, Cambridge, MA.

The mortgaged premises will be sold: (i) subject to and with the benefit of all restrictions, easements, improvements, outstanding tax titles, municipal or other public taxes, assessments, liens or claims in the nature of liens, and existing encumbrances of record created prior to the Mortgage or to which the Mortgage has of record been subordinated; (ii) subject to persons in possession, and the rights of any tenants or occupants, of the mortgaged premises or any part thereof; and (iii) M.G.L. ch. 183A condominium assessments liens.

Terms of Sale:

A deposit of Ten Thousand Dollars ($10,000.00) will be required to be paid in cash or by certified or bank check by the purchaser at the time and place of sale. The balance of the purchase price shall be required to be paid in cash or by certified or bank check within forty-five (45) days at the offices of Craig and Macauley Professional Corporation, Federal Reserve Plaza, 600 Atlantic Avenue, Boston, Massachusetts 02210.

The balance of the purchase price(s) shall be required to be paid in cash or by certified or bank check within fifty (50) days at the office of Craig and Macauley Professional Corporation, Federal Reserve Plaza, 600 Atlantic Avenue, Boston, Massachusetts 02210.

Other terms to be announced at the sale.

The undersigned holder of the Mortgage reserves the right to reject any and all bids for the mortgaged premises to be sold and to continue the foreclosure sale from time to time to such subsequent date or dates as such holder may deem necessary or appropriate.

220 WINDSOR STREET
LEGAL NOTICE
MORTGAGEE'S NOTICE OF SALE OF REAL ESTATE

By virtue and in execution of the Power of Sale contained in a certain Mortgage given by Paul Deutsch to BayBank Trust Company dated October 14, 1983 and recorded with the Middlesex County (Southern District) Registry of Deeds at Book 15265, Page 244, of which Mortgage the undersigned is the present holder, for breach of the conditions of said Mortgage and for the purpose of foreclosing, the same will be sold at public auction commencing at 10:00 A.M. on the 25th day of June, 1996 upon the mortgaged premises, being all and singular the premises described in said Mortgage, to wit:

A certain parcel of land with the buildings thereon situated in Cambridge, Middlesex County, Massachusetts, being now numbered 220 Windsor Street and being shown as Lot A on a plan entitled "Subdivision Plan of Land Cambridge, Mass. Drawn For William Iacono", dated February 12, 1982, by Otte & Dwyer, Inc., Surveyors, recorded with Middlesex South District Deeds, Book 14617, Page 491, and again in Book 14644, Page End, said Lot A being bounded and described as follows:

NORTHWESTERLY: by said Windsor Street, thirty-five (35) feet;

NORTHEASTERLY: by land now or formerly of the City of Cambridge, forty-three and 39/100 (43.39) feet;

SOUTHEASTERLY: by the center of a fire wall dividing Lot A and Lot B on said plan, thirty-two and 64/100 (32.64) feet;

SOUTHWESTERLY: by land now or formerly of Cunha, thirty-six and 63/100 (36.63) feet.

Containing, according to said plan, 1,340 square feet of land.

Said premises are conveyed subject to and with benefit of the right to use the five-foot right of way shown on said plan to pass and repass to and from Windsor Street, subject to the right of the owner of Lot A to maintain a stoop in said right of way as shown on said plan, and subject to and with the benefit of the right to use and access to maintain utility lines, including water, sewer, gas, electricity, and telephone on and across Lot A and Lot B.

Said premises are also conveyed subject to and with benefit of an architectural covenant running with the land contained in deed of William Iacono recorded herewith (Book 15265, Page 242).

Meaning and intending to convey and hereby conveying all the same premises deeded to me by deed of William Iacono dated October 14, 1983, and recorded herewith (Book 15265, page 242).

The mortgaged premises is known and numbered as 220 Windsor Street, Cambridge, Massachusetts.

TERMS OF SALE: The mortgaged premises are to be sold subject to and with the benefit of all easements, restrictions, building and zoning laws, unpaid taxes, tax titles, water bills, municipal liens and assessments, rights of tenants and parties in possession, existing encumbrances, and all other claims in the nature of liens, now existing or hereafter arising, having priority over the Mortgage, if any there be. The mortgaged premises are also sold subject to the right of redemption of the United States of America, if any there be.

A deposit of FIVE THOUSAND DOLLARS ($5,000.00) shall be required to be made to the mortgagee in cash, by certified check or by bank cashier's check at the time and place of sale. The balance of the purchase price is to be paid to the mortgagee in cash, by certified check or by bank cashier's check in or within thirty (30) days from the date of the sale.

Other terms, if any, to be announced at the sale.

Plenty of warmth on 'Cold Comfort Farm'

In that immortal (and sometimes immoral) stock expression of film reviewing, this one's a laff riot — unless, that is, you've an aversion to the all-stops-pulled brand of English comedy, the kind that is at once bawdy and snotty. I haven't laughed so much at a movie this year since "Fargo" and — here comes another overused "critical" comment — run, don't walk, to see it.

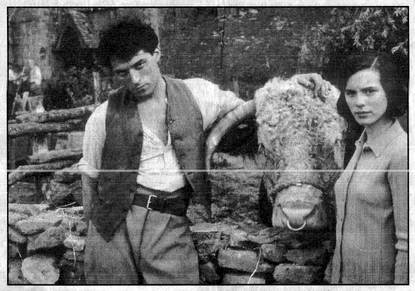

BY DAVID BRUDNOY

Cold Comfort Farm (PG-13)
★★★★

Our heroine, Flora (Kate Beckinsale, who was Hero, the heroine, in Ken Branagh's "Much Ado About Nothing") is a 30-something denizen of the 1930s London smart set. She's also newly orphaned, with a mere "100 pounds a year," meaning that she must either get a husband or a job (!) soon, or mooch on relatives, which pondering the matter with her older friend, Mrs. Smiling (Joanna Lumley, of "Absolutely Fabulous"), who collects brassieres and mounts them on dress designer stands, she decides to do, mooch that is. To get ammo for the novel she intends to write in her 50s, she selects a distantly related rural family in Sussex, living at the farm appropriately named in the title, where, she is sure, she will find all manner of bad manners and sons named Seth and Reuben.

The reality is even worse than her direst imaginings, and yes, there is Seth (Rufus Sewell), the hunk who is systematically bedding all the village maidens, and the stolid Reuben (Ivan Kaye), who hopes that dad (Ian McKellen), a fire-and-brimstone preacher on Sundays to his flock whom he sets into hysterical quaking (with fear), will somehow leave him the farm. Granny (Sheila Burrell), who once "saw something nasty in the woodshed" and only comes out of her room twice a year to count the family members lest any has decamped for greener pastures, oversees a household of misfits, mental midgets, superstitious primitives and assorted oddities. Our heroine sets about reforming one and all, making matches, opening horizons, widening perspectives — that sort of thing, all of which she accomplishes in less than two hours of merriment.

Rufus Sewell and Kate Beckinsale are stars on John Schlesinger's zany 'Farm.'

The contrast between young Flora's certitude about her mission and the insecurities and hesitations of the human clay whom she will mold into more interesting and self-actualizing people is endlessly mirthful. If you can imagine the Beverly Hillbillies suddenly getting beyond the barnyard in their mentality, you can imagine the transformations awaiting you as you visit Cold Comfort Farm, the book about which, by Stella Gibbons, is a classic in England. Little wonder that it's a smash at home, given the dire necessity of finding a Flora to do something with the wayward, wacky Windsors tribe.

Written by Malcolm Bradbury; directed by John Schlesinger.

QUICK FLICKS

➤ **BOYS** (PG-13) A rebellious preppie (Lukas Haas, gawkily but handsomely grown up from his debut days in "Witness" and other fine films) discovers a beauty (Winona Ryder) collapsed in a field. The lad attempts to succor her in his dorm room, to the vast dismay and licentious jealousy and all-around loutishness of his schoolmates, and falls, improbably, in love with her instantly. The end cops out, the acting is serviceable, the story is a trifle ridiculous. (D.B.) ★★ 1/2

By David Brudnoy (D.B.) and , Ed Symkus (E.S.),

GUIDE TO THE STARS

★★★★★ Great
★★★★ Good
★★★ All Right
★★ Poor
★ Dreadful

➤ **DEAD MAN** (R) Love him or hate him, Jim Jarmusch ("Down by Law," "Mystery Train") has his own special, very bizarre touch as a filmmaker. Here he reinvents the western as Johnny Depp plays a fish out of water accountant on the run when he's framed for a murder. Jarmusch's Old West is a filthy place, recorded here in grainy black and white, but it becomes a realm of spirituality after Depp picks up a poetry-spouting Indian sidekick. Very violent, very funny, and a vast supporting cast to kill for. (E.S.) ★★★★

➤ **FLIPPER** (PG) Call this "Dolphin Dundee" if you like; it does star the tiresome Australian actor Paul Hogan as a grizzled fisherman whose smart-aleck nephew (Elijah Wood) is turned from rather unbalanced writer-feminist (author of the celebrated "SCUM Manifesto") who did indeed critically wound the pop artist in 1968. The fierce and funny film recreates the times — especially events within Warhol's Factory — in intimate detail. Supporting parts by Jared Harris as Warhol and Stephen Dorff as Candy Darling are outstanding. (E.S.) ★★★★

➤ **HEAVEN'S PRISONERS** (R) Another slime-in-the-bayou misery drama, about a former cop (Alec Baldwin) whose wife (Kelly Lynch) is slaughtered by hit men sent by — whom? Eric Roberts is quite sleazily splendid as a would-be crime boss; Mary Stuart Masterson does her used-to-be-a-lowlife-but-now-I'm-not routine. Superman's Lois on ABC (Teri Hatcher) opens new avenues for her career as, here, a dangerous lady. The hero is named Dave Robicheaux, which might irritate Channel 4's fine new reporter, Dave Robichaud. So much gore, so much angst, so many minutes wasted in pregnant pauses, so much trendy dreck. (D.B.) ★★ 1/2

➤ **HORSEMAN ON THE ROOF** (unrated) A huge hit in France, the novel has spawned director Jean-Paul Rappeneau's exuberant, scenically enticing romance centered on a dashing Italian revolutionary trying to get back home and the gorgeous aristocrat whom he befriends and wants to love. He is too much the gentleman, of course, to presume, and their many adventures may lead him home but do not lead him into her bed. The exquisite Juliette Binoche and newcomer Olivier Martinez star, along with assorted photogenic horses and one frolicsome cat. (D.B.) ★★★★

➤ **I SHOT ANDY WARHOL** (R) Lili Taylor might make it closer to the acting A-list if enough people see her riveting performance as Valerie Solanas, the jerk to honey-bunch by finding and raising a charming porpoise. The old TV series (1964-68) had more oomph, less filmflam and lingers in the memory, as this feature will not. Subtitles would help make the adult star's Aussie-speak comprehensible. (D.B.) ★★★

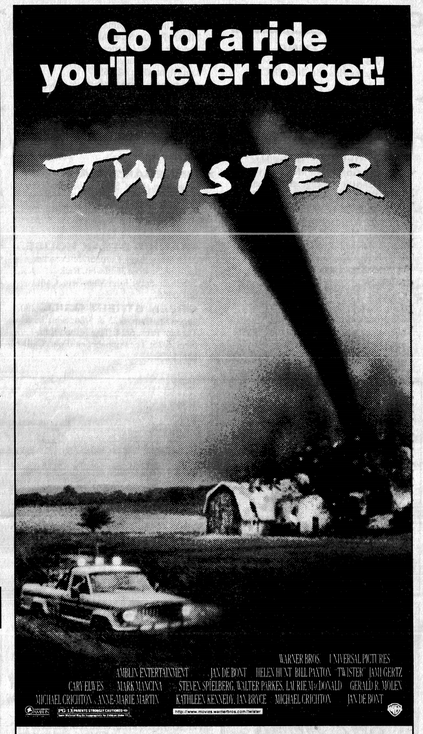

➤ **THE TRUTH ABOUT CATS AND DOGS** (PG-13) A gentle comedy about a sweet radio host specializing in animal matters (Jeaneane Garafalo) who is insecure and who therefore has a friend (Uma Thurman) impersonate her — so that a smitten young man (Ben Chaplin) will see with his eyes what his mind has imagined. Complications ensue and a persuasive dog steals all his scenes. (D.B.) ★★★ 1/2

➤ **TWISTER** (PG-13) It's been a while since earthquakes and tidal waves ran rampant across our movie screens, but here's the newest in the natural disaster arena. Tornado chasers Helen Hunt and Bill Paxton are out on the plains, after the big one. As are their cohorts, their competition (a smarmy Cary Elwes) and a nervous outsider (Jami Gertz). Absolutely dazzling special effects pretty much make up for routine Hollywood formula in the story department. Lots of loud fun. Check out the flying cows! (E.S.) ★★★★

➤ **MISSION: IMPOSSIBLE** (PG-13) Nothing makes much sense as far as storytelling goes in this big-screen update of the old TV series, but anyone getting past that big hump might enjoy Tom Cruise credibly playing out his spy fantasy and letting director Brian De Palma do some visual dazzling. It's too bad there aren't scorecards given out with the price of admission to help figure exactly what the mission is and who is backstabbing whom. (E.S.) ★★★

➤ **THE PALLBEARER** (PG-13) A twenty-something nice guy (David Schwimmer) is asked to give the eulogy for a classmate he can't remember and whose mother (Barbara Hershey) has other plans for him. The girl of his dreams (Gwyneth Paltrow) gives him fits, and his buddies are no use. The movie has moments of tenderness but largely falls flat. (D.B.) ★★★

Go for a ride you'll never forget!

CITY OF CAMBRIDGE

In the Year One Thousand, Nine Hundred Ninety-Six

AN ORDINANCE

In amendment to an ordinance entitled "The Zoning Ordinances of the City of Cambridge.

Be it ordained by the City Council of the City of Cambridge as follows:

That the Zoning Ordinances of the City of Cambridge is hereby amended by deleting Section 13.10 portions of existing Section 13.14.3 and creating a new Section 13.14.3 to read as follows:

13.14.3 There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

and creating a new section 13.14.4 to read as follows:

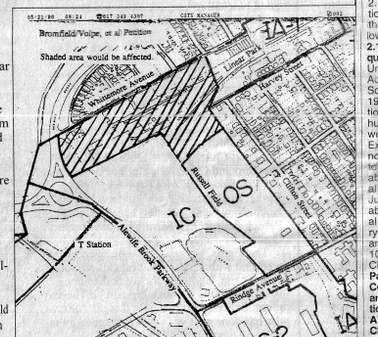

13.14.4 At locations where the development parcel and/or lots within said parcel abut any nonresidential, higher density residential or open space district, there shall be no requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

and in article 13.10, renumber existing paragraph 13.14.4 to 13.13.5.

The accompanying map illustrates the potentially affected area in the Industry C District.

Passed to a second reading at the City Council meeting held on May 20, 1996 and on or after June 3, 1996 the question comes on passing to be ordained.

ATTEST: D. Margaret Drury, City Clerk

Cambridge Chronicle, 5/23/96.

MEMBER ORDINANCE
LEGAL NOTICE
CITY OF CAMBRIDGE
IN THE YEAR ONE THOUSAND NINE HUNDRED NINETY-SIX
AN ORDINANCE

In amendment to an ordinance entitled "The Municipal Code of the City of Cambridge."

Be it ordained by the City Council of the City of Cambridge as follows:

That Title 2 entitled "Administration and Personnel" of the Municipal Code is hereby amended by striking out section 2.104.010 entitled "Member compensation-Frequency" and substituting in place thereof a new section which read as follows:

2.104.010 Member compensation-Frequency

Under the authority of Chapter 296 of the Acts of 1982 the elected members of the School Committee shall, effective July 1, 1996, receive for their annual compensation the amount of nineteen thousand five hundred dollars to be paid monthly or weekly. The Mayor, serving as the Chair Ex Officio of the School Committee, shall not receive any compensation pursuant to this section. Effective July 1, 1997, the above positions shall receive an additional increase of four percent of the salary of July 1, 1996. Effective July 1, 1998, the above positions shall receive an additional three and one-half percent of the salary of July 1, 1997.(Ord. 1173, 1995; amended during 9/91 Supplement, Order 10, 6/20/88; Ord. 991, 1983; prior code Ch. 2 Div. 4 SS2-222)

Passed to a second reading at the City Council meeting held on May 20, 1996 and on or after June 3, 1996 the question comes on passing to be ordained.
ATTEST:- D. Margaret Drury, City Clerk

Cambridge Chronicle, 5/23/96.

NORTH CAMBRIDGE COMMITTEE
LEGAL NOTICE
NORTH CAMBRIDGE STABILIZATION COMMITTEE
REQUEST FOR PROPOSALS

The North Cambridge Stabilization Committee, is reallocating unexpended funds remaining from the city-sponsored North Cambridge Stabilization Program, which ran from 1980-1994. The North Cambridge Stabilization Committee hereby requests proposals for physical improvement projects that will benefit low and moderate income residents in North Cambridge (Neighborhood 11).

PROJECT REQUIREMENTS

All funds must be allocated to physical improvement projects that primarily benefit low and moderate income residents and, further, provide a stabilizing influence on the community. Specifically, funds may be used for: improvements to streets and sidewalks, street lighting, tree planting, low interest home improvement loans or grants, the creation and/or improvement of outdoor recreational facilities and parks, and any other physical improvements to the affected neighborhood (e.g. affordable housing) which are approved by the City's Community Development Department.

In addition, projects should expand the opportunities for existing residents to remain in the neighborhood and/or increase the community's enjoyment of the neighborhood. Programs currently offered to North Cambridge residents are ineligible for funds unless the proposal seeks to expand the client base or scope of services. All funds must be expended during Fiscal Year '96 - '97 (July 1, 1996 - June 30, 1997).

ELIGIBILITY

Proposals may be submitted by individuals, non-profit community organizations, business and civic associations, and human service and housing agencies. Proposals may be subject to Massachusetts bidding laws. Project eligibility will be determined by the Community Development Department.

PROPOSAL CONTENT

1. Describe the project including goals and objectives.

2. Outline administrative procedures, eligibility requirements and outreach techniques.

3. Describe how the project benefits low and moderate income residents, especially target populations such as the elderly, minorities, tenants and owners.

4. Describe benefits accrued by the neighborhood, particularly any stabilizing effects.

5. To the extent possible, quantify benefits; e.g. units improved or constructed, number of users, etc.

6. Provide a Line Item Budget, giving a detailed description of each expenditure along with its cost.

7. List other funding sources and amounts where approp

ALBRO BENEFIT

LEGAL NOTICE

COMMONWEALTH OF MASSACHUSETTS THE TRIAL COURT PROBATE AND FAMILY COURT DEPARTMENT MIDDLESEX DIVISION DOCKET NO. 534995

NOTICE OF FIDUCIARY'S ACCOUNT

To all persons interested in the estate of Anastasia L. Davis -late- of Cambridge, in said County, -deceased-

You are hereby notified pursuant to Mass. R.Civ.P. Rule 72 that the 1st thru 6th and final accounts of William C. Madden *as Trustee (the fiduciary) under the will of said deceased for the benefit of Katherine H. Albro has - been presented to said Court for allowance.

If you desire to preserve your right to file an objection to said accounts, you or your attorney must file a written appearance in said Court at Cambridge on or before the 8th day of May, 1996, the return day of this citation. You may upon written request by registered or certified mail to the fiduciary, obtain without cost a copy of said account. If you desire to object to any item of said accounts, you must, in addition to filing a written appearance as aforesaid, file within thirty days after said return day or within such other time as the Court upon motion may order a written statement of each such item together with the grounds for each objection thereto, a copy to be served upon the fiduciary pursuant to Mass. R.Civ.P. Rule 5.

WITNESS, SHEILA E. MCGOVERN, Esquire, First Judge of said Court, this 2nd day of April, 1996.

BROMFIELD

PUBLIC NOTICE

RELATIVE TO ZONING

CITY OF CAMBRIDGE OFFICE OF THE CITY CLERK

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances consisting of the entire membership of the City Council, will hold a public hearing on Wednesday, May 1, 1996 at 6:00 P.M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition submitted by Russell A. Bromfield, Michael A. Volpe, et al to amend the Zoning Ordinances of the City of Cambridge as follows:

In Article 13.10, delete all but the first sentence from paragraph 13.14.3, such that this paragraph shall read as follows:

13.14.3 There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

In Article 13.10, add a new Paragraph 13.14.4 which reads as follows:

13.14.4 At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be not requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,
Councilor Francis H. Duehay,
Chairman

Cambridge Chronicle, 4/11 & 4/18/96.

ELLIS ESTATE

LEGAL NOTICE

COMMONWEALTH OF MASSACHUSETTS THE TRIAL COURT THE PROBATE AND FAMILY COURT DEPARTMENT PROBATE OF WILL WITH/WITHOUT SURETIES MIDDLESEX DIVISION DOCKET NO. 96P1617EP

Estate of Frederick P. Ellis, Fred Ellis
late of Cambridge
in the County of Middlesex died on Mar. 18, 1996

NOTICE

A petition has been presented in the above-captioned matter praying that a certain instrument purporting to be the last will of said deceased may be proved and allowed and that Bernard Goldberg of Cambridge in the County of Middlesex be appointed executor without giving surety on his bond.

If you desire to object to the allowance of said petition, you or your attorney must file a written appearance in said Court at Cambridge on or before 10:00 in the forenoon on May 6, 1996.

In addition you must file a written affidavit of objections to the petition, stating the specific facts and grounds upon which the objection is based, within (30) days after the return day (or such other time as the Court, on motion with notice to the petitioner, may allow) in accordance with Probate Rule 16.

WITNESS, Sheila E. McGovern, Esquire, First Justice of said Court at Cambridge, the fourth day of April in the year of our Lord one thousand nine hundred and ninety-six.

Donna M. Lambert
Register of Probate

ORDER OF NOTICE

It is ordered that notice of said proceeding be given by delivering or by mailing by-postpaid a copy of the foregoing citation to all persons interested fourteen days at least before said return day, and by publishing a copy thereof once in the Cambridge Chronicle a newspaper published in Cambridge publication to be seven (7) days at least before said return day.

WITNESS, Sheila E. McGovern, Esquire, First Justice of said Court, this fourth day of April, 1996.

AN ORDINANCE

In amendment to an ordinance entitled "The Zoning Ordinances of the City of Cambridge."

Be it ordained by the City Council of the City of Cambridge as follows:

That the Zoning Ordinances of the City of Cambridge is hereby amended by deleting in Section 13.10 portions of existing Section 13.14.3 and creating a new Section 13.14.3 to read as follows:

13.14.3. There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

and creating a new section 13.14.4 to read as follows:

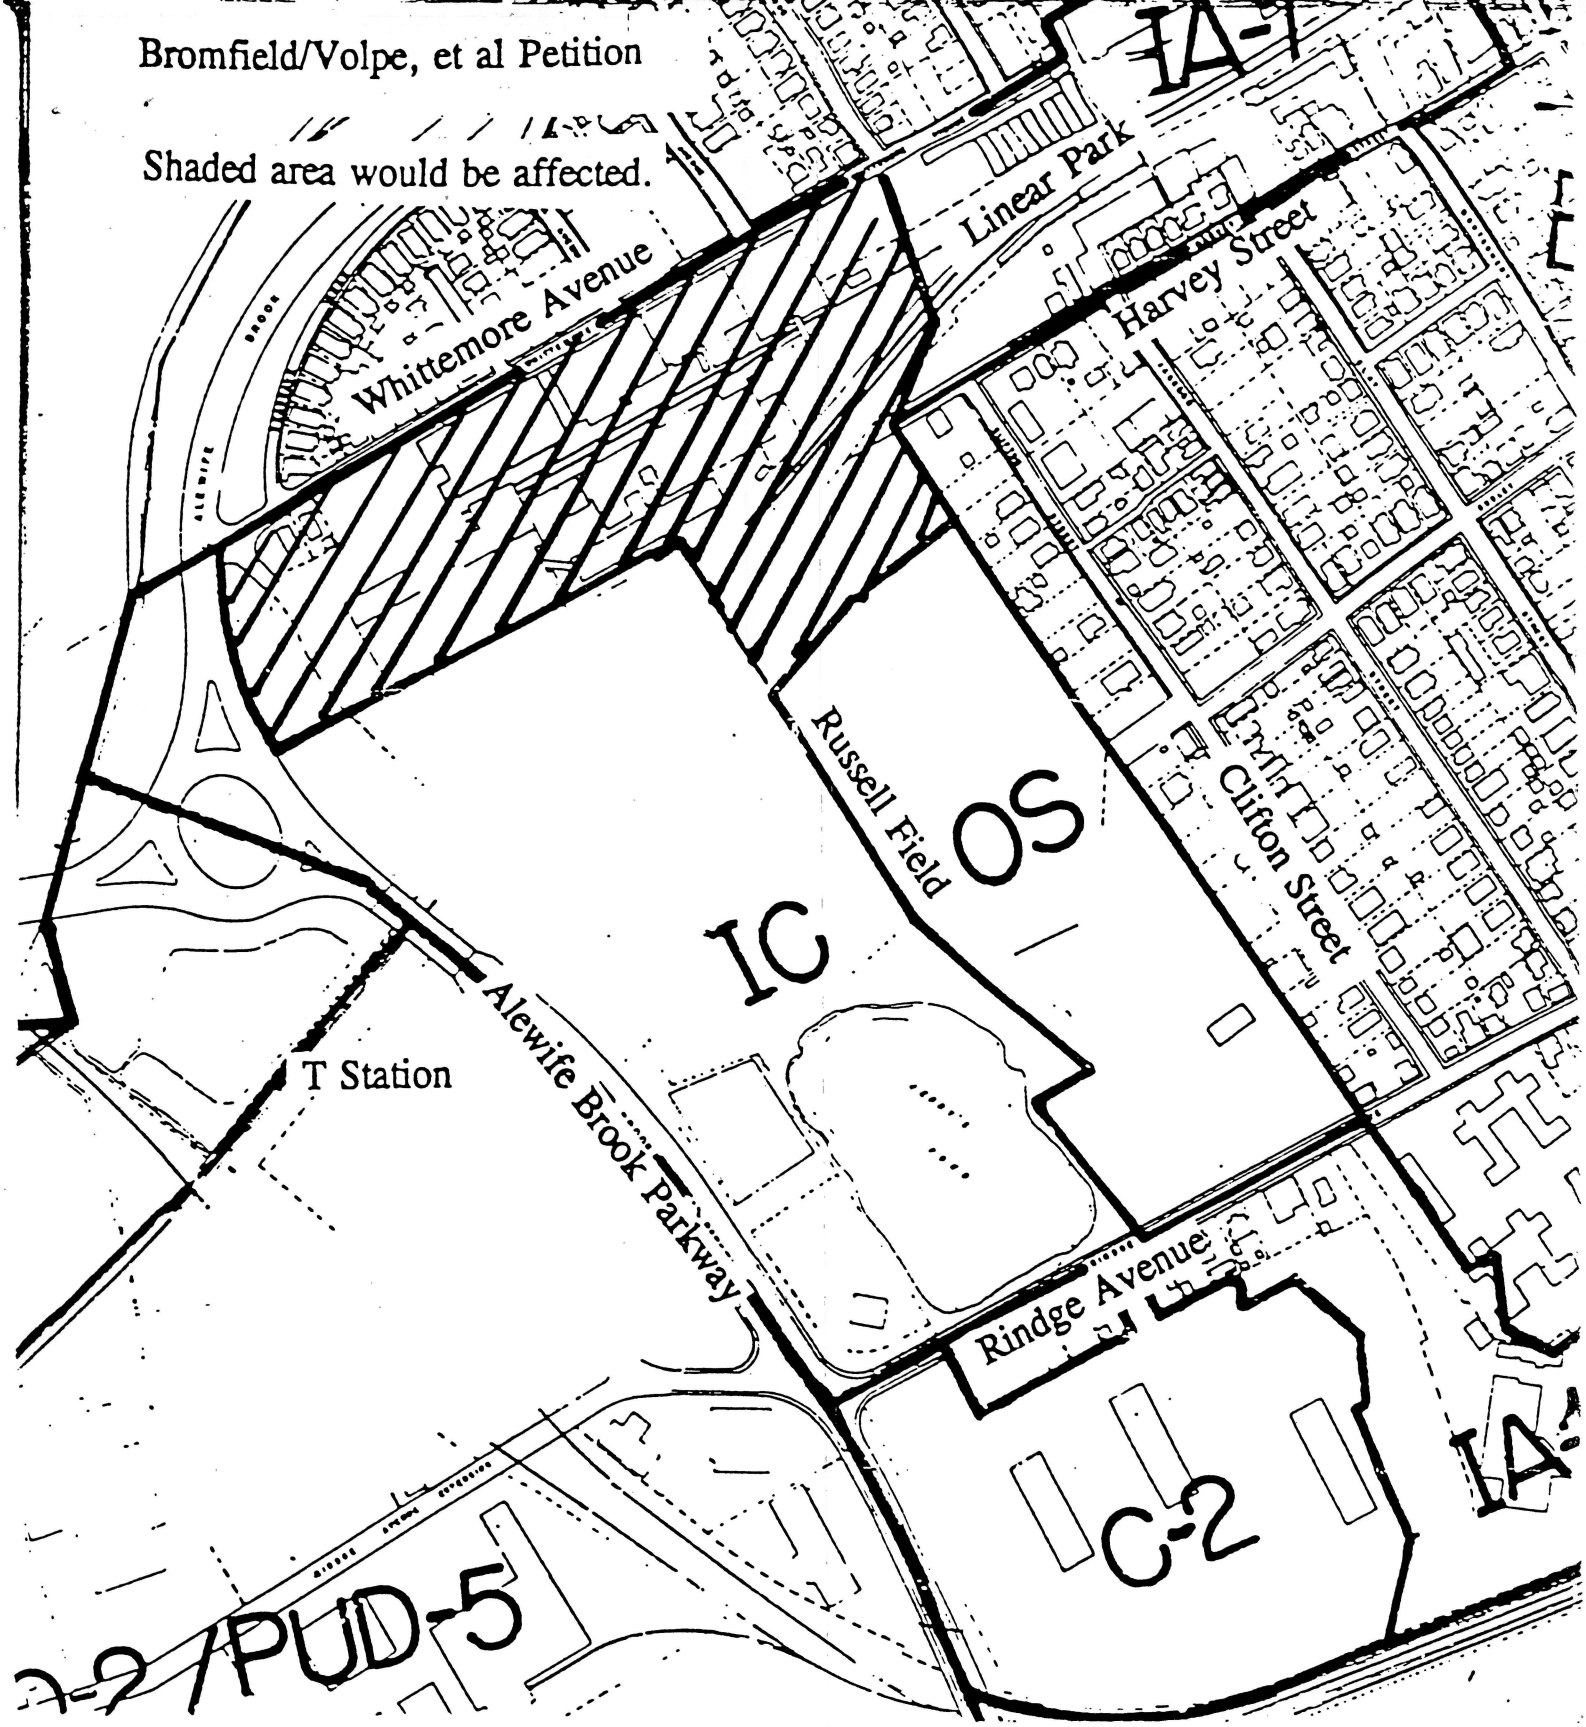

13.14.4. At locations where the development parcel and/or lots within said parcel abut any nonresidential, higher density residential or open space district, there shall be no requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

and in article 13.10, renumber existing paragraph 13.14.4 to 13.14.5.

The accompanying map illustrates the potentially affected area in the Industry C District.

Passed to a second reading at the City Council meeting held on May 20, 1996 and on or after June 3, 1996 the question comes on passing to be ordained.

FIGURE II.9

CURRENT (NPC) SCHEMATIC SITE PLAN **ATTACHMENT C**

4. HAZARDOUS MATERIALS

The site is listed with the DEP as a Non-Priority Confirmed Disposal Site as a result of volatile and semi-volatile organics, petroleum products, and metals found to exist in the environment during evaluations of subsurface and hydrogeological conditions for the Alewife Center Master Plan Study conducted in 1984 and 1985. A Notice of Responsibility (NOR) was issued for the site on 9 February 1987. The site is intermittently paved, and access to the majority of the exposed ground surface is restricted by fencing; however, access to some open areas is unrestricted. The site has been assigned Release Tracking Number (RTN) 3-0277, with a transition date into the revised MCP on or prior to August 1995, and is in Phase IV of the MCP compliance process.

The redesign of the MCP allowed for the transitioning of disposal sites listed in the "old" system to the "new" system within a time frame set forth in the regulations. In compliance with the Transitions Provisions of the MCP, a Tier Classification Form (BWSC-107A), Numerical Ranking System Scoresheet (310 CMR 40.1511), LSP Evaluation Opinion Transmittal Form (BWSC-110), and supporting documentation for the W.R. Grace & Co. property were submitted to DEP on 4 August 1995. Based on the available data presented, the site was judged to be classified as a Tier II (non-priority) site, indicating that continued work at the site could be conducted under the direction of a Licensed Site Professional (LSP), and did not require oversight by the DEP.

Current development plans will result in a significant reduction in the excavation and handling of known contaminated soils and groundwater. The lowest floor will be approximately at or above the lowest site grade in the building footprint. Foundation support will be provided by piles driven into the ground without exposure to contaminated soils. No construction below the groundwater table is proposed. There will be no need to pump, treat and discharge groundwater to surface waters at the property.

Construction of pile caps, grade beams and site utilities will result in minimal excavation into soil known to be contaminated. This is in sharp contrast to the hundreds of thousands of cubic yards of contaminated soils previously proposed to have been excavated for the initial project.

Site characterization and risk characterization studies completed for the property have been reviewed and accepted by the Department of Environmental Protection. There is currently no significant risk posed by the level of contamination present at the site. Supplemental risk characterization studies have been completed to supplement the prior DEP-approved risk characterization studies for compliance with the current regulatory program. This updated work also indicates no significant risk under the present conditions and currently proposed construction. As part of the MCP Phase IV compliance activities, additional field investigations and chemical analyses have been undertaken to determine if portions of the property where oil and grease were previously detected at elevated levels exceed the current standards for petroleum products. Those areas where the concentrations of Total Petroleum Products (TPH), determined by DEP-approved methods, exceed the Upper Concentration Limit (UCL) will be remediated to allow the property to obtain a permanent solution under the current MCP. The remediation program will be designed during the Phase IV studies, which remain to be completed. The program presently envisioned uses on-site asphalt stabilization of the petroleum contaminated soils and on-site reuse as subbase material under portions of the development project to be paved parking.

A Licensed Site Professional (LSP) will issue a Response Action Outcome (RAO) statement for a site in the MCP, indicating that a permanent solution has been obtained when the TPH materials exceeding the UCLs have been remediated. The permanent solution will include an Activity and Use Limitation (AUL) applied to deed which will restrict certain activities on the property to preserve the current condition of "no significant risk".

The proposed development activities will be allowed by the AUL with the use of an Excavated Materials Management Plan (EMMP). The EMMP will be similar to the Hazardous Materials Management Plan (HMMP) developed for the prior site construction activities. However, since the current construction will not be excavating into significant quantities of known contaminated materials, the EMMP will be structured to provide contingency actions to be undertaken in the event that unexpected contamination is discovered during construction. It also will require the implementation of Health & Safety programs and construction management programs to provide safe conditions for the workers on site and public near the site during construction. This program will include management of construction vehicles, odor controls and dust controls, as well as requiring the use of personal protection equipment for on-site workers if short-term exposure conditions warrant.

RE: Protest of Petition to Amend the Zoning Ordinance of the City of Cambridge to Add a New Section 13.14.4 Creating a 400 foot buffer zone in the IC District

Dear Ms. Drury:

On September 1, 1987, the Planning Board of the City of Cambridge issued a PUD Special Permit for the development in Zone IC of The Alewife Center Project which allows the construction of 1,050,000 square feet of office, hotel and retail space on land owned or controlled by W. R. Grace & Co.-Conn. and Alewife Land Corporation (collectively "Grace").

We have been informed that on Wednesday, May 1 at 6:00 p.m. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts a petition submitted by Russell A. Bromfield, Michael A. Volpe et al will be considered which would amend the zoning ordinances of the City of Cambridge to add a new section 13.14.4 to the zoning bylaws. This zoning change, if adopted, would establish a 400 foot buffer zone in Zone IC which would essentially curtail further development of the Grace-owned property and render current structures non-conforming. Grace's property is the only land affected by the proposed zoning amendment. Accordingly, and in accordance with G. L. Chapter 40A, Section 5, WE HEREBY PROTEST this proposed zoning change which is targeted to materially and adversely affect solely the Grace property.

If we don't deliver value, we haven't delivered.

This protest is entered notwithstanding the fact that the proposed zoning change, if adopted, would not in any way affect the Alewife Center Project because it has the benefit of a zoning freeze as a result of the issuance of the PUD Special Permit for Alewife Center.

Sincerely,

D. L. Wightman for
W. R. Grace & Co.-Conn. and
Alewife Land Corporation

CURRENT (NPC) SCHEMATIC SITE PLAN **ATTACHMENT C**

4. HAZARDOUS MATERIALS

The site is listed with the DEP as a Non-Priority Confirmed Disposal Site as a result of volatile and semi-volatile organics, petroleum products, and metals found to exist in the environment during evaluations of subsurface and hydrogeological conditions for the Alewife Center Master Plan Study conducted in 1984 and 1985. A Notice of Responsibility (NOR) was issued for the site on 9 February 1987. The site is intermittently paved, and access to the majority of the exposed ground surface is restricted by fencing; however, access to some open areas is unrestricted. The site has been assigned Release Tracking Number (RTN) 3-0277, with a transition date into the revised MCP on or prior to August 1995, and is in Phase IV of the MCP compliance process.

The redesign of the MCP allowed for the transitioning of disposal sites listed in the "old" system to the "new" system within a time frame set forth in the regulations. In compliance with the Transitions Provisions of the MCP, a Tier Classification Form (BWSC-107A), Numerical Ranking System Scoresheet (310 CMR 40.1511), LSP Evaluation Opinion Transmittal Form (BWSC-110), and supporting documentation for the W.R. Grace & Co. property were submitted to DEP on 4 August 1995. Based on the available data presented, the site was judged to be classified as a Tier II (non-priority) site, indicating that continued work at the site could be conducted under the direction of a Licensed Site Professional (LSP), and did not require oversight by the DEP.

Current development plans will result in a significant reduction in the excavation and handling of known contaminated soils and groundwater. The lowest floor will be approximately at or above the lowest site grade in the building footprint. Foundation support will be provided by piles driven into the ground without exposure to contaminated soils. No construction below the groundwater table is proposed. There will be no need to pump, treat and discharge groundwater to surface waters at the property.

Construction of pile caps, grade beams and site utilities will result in minimal excavation into soil known to be contaminated. This is in sharp contrast to the hundreds of thousands of cubic yards of contaminated soils previously proposed to have been excavated for the initial project.

Site characterization and risk characterization studies completed for the property have been reviewed and accepted by the Department of Environmental Protection. There is currently no significant risk posed by the level of contamination present at the site. Supplemental risk characterization studies have been completed to supplement the prior DEP-approved risk characterization studies for compliance with the current regulatory program. This updated work also indicates no significant risk under the present conditions and currently proposed construction. As part of the MCP Phase IV compliance activities, additional field investigations and chemical analyses have been undertaken to determine if portions of the property where oil and grease were previously detected at elevated levels exceed the current standards for petroleum products. Those areas where the concentrations of Total Petroleum Products (TPH), determined by DEP-approved methods, exceed the Upper Concentration Limit (UCL) will be remediated to allow the property to obtain a permanent solution under the current MCP. The remediation program will be designed during the Phase IV studies, which remain to be completed. The program presently envisioned uses on-site asphalt stabilization of the petroleum contaminated soils and on-site reuse as subbase material under portions of the development project to be paved parking.

A Licensed Site Professional (LSP) will issue a Response Action Outcome (RAO) statement for a site in the MCP, indicating that a permanent solution has been obtained when the TPH materials exceeding the UCLs have been remediated. The permanent solution will include an Activity and Use Limitation (AUL) applied to deed which will restrict certain activities on the property to preserve the current condition of "no significant risk".

The proposed development activities will be allowed by the AUL with the use of an Excavated Materials Management Plan (EMMP). The EMMP will be similar to the Hazardous Materials Management Plan (HMMP) developed for the prior site construction activities. However, since the current construction will not be excavating into significant quantities of known contaminated materials, the EMMP will be structured to provide contingency actions to be undertaken in the event that unexpected contamination is discovered during construction. It also will require the implementation of Health & Safety programs and construction management programs to provide safe conditions for the workers on site and public near the site during construction. This program will include management of construction vehicles, odor controls and dust controls, as well as requiring the use of personal protection equipment for on-site workers if short-term exposure conditions warrant.

AN ORDINANCE

In amendment to an ordinance entitled "The Zoning Ordinances of the City of Cambridge."

Be it ordained by the City Council of the City of Cambridge as follows:

That the Zoning Ordinances of the City of Cambridge is hereby amended by deleting in Section 13.10 portions of existing Section 13.14.3 and creating a new Section 13.14.3 to read as follows:

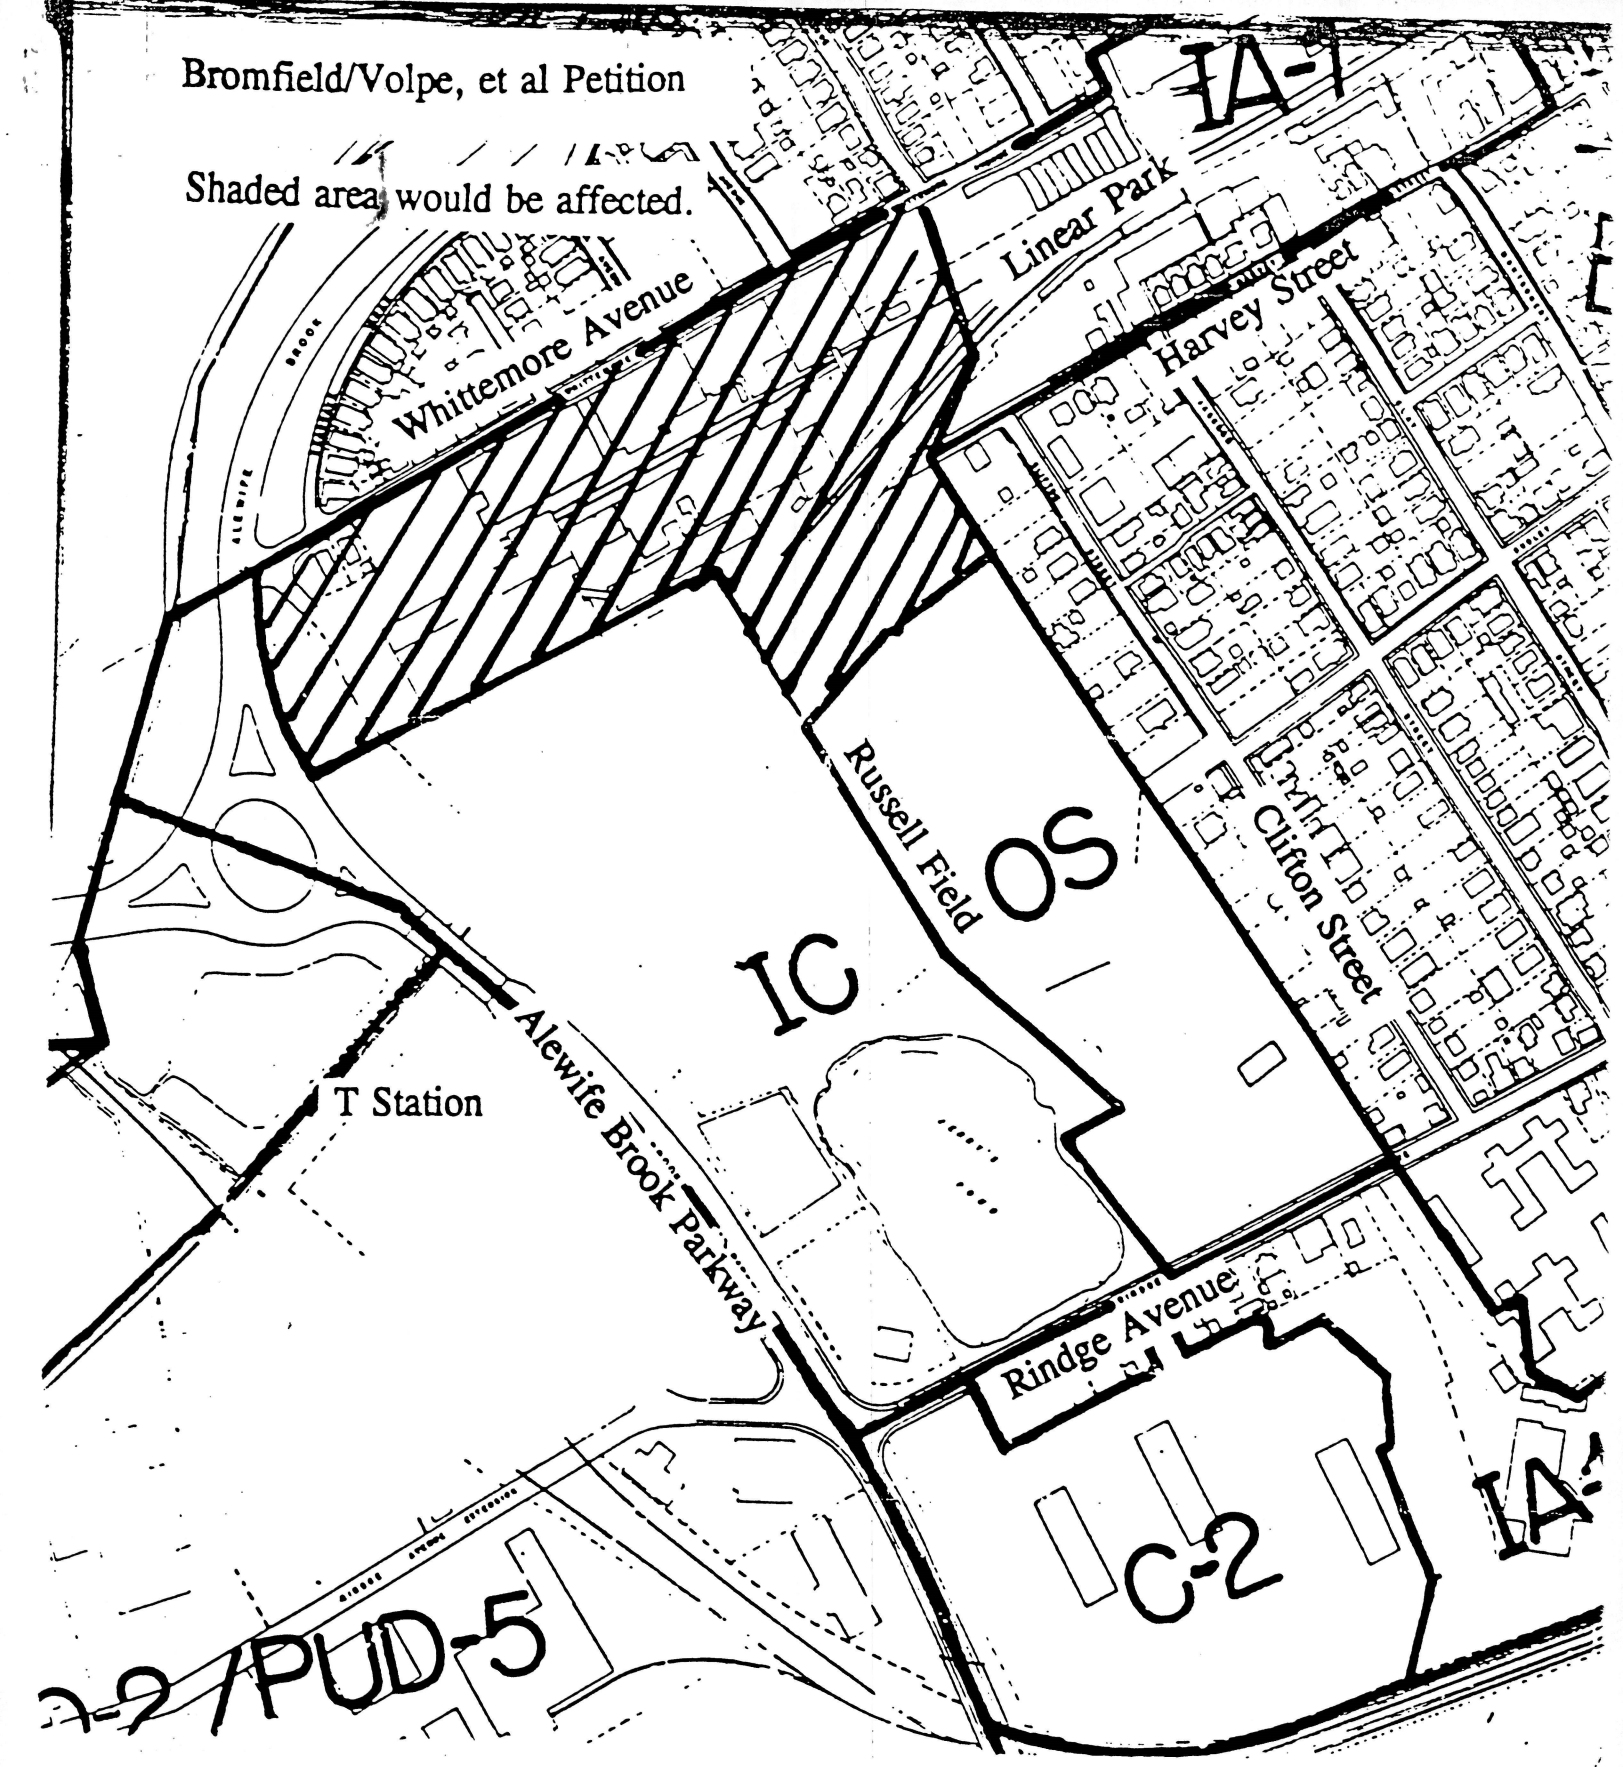

13.14.3. There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

and creating a new section 13.14.4 to read as follows:

13.14.4. At locations where the development parcel and/or lots within said parcel abut any nonresidential, higher density residential or open space district, there shall be no requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

and in article 13.10, renumber existing paragraph 13.14.4 to 13.14.5.

The accompanying map illustrates the potentially affected area in the Industry C District.

PUD-IC Amendment Petition

Text of Proposed PUD-IC Zoning Amendment	*Comment*
WHEREAS the underlying Industry C ("IC) zoning district once provided a variety of protections for abutting residential areas; and	*This briefly lays out the rationale for amending PUD-IC rules.*
WHEREAS the overlying rules of a Planned Unit Development for an IC district ("PUD-IC") as described in Article 13.10 weaken or eliminate some of these protections; and	
WHEREAS current development proposals for the PUD-IC district abutting Alewife Brook Parkway are not consistent with the best interests of the adjoining neighborhood;	
NOW THEREFORE, we the Undersigned respectfully petition the Honorable, the City Council of the City of Cambridge, to amend the Cambridge Zoning Ordinance as follows:	*This is official language whereby citizens petition the City Council.*
A. In Article 13.10, delete all but the first sentence from Paragraph 13.14.3, such that this paragraph shall read as follows: "**13.14.3.** There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel."	*This preserves current PUD-IC relief from IC limits on lot subdivision, and in general threatens no harm to adjoining residential properties.*
B. In Article 13.10, add a new Paragraph 13.14.4 which shall read: "**13.14.4.** At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be no requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited."	*District IC requires modest setbacks on the side and rear of lots, but PUD-IC waives these requirements. The first sentence at left retains the current waiver of setback requirements at locations where a PUD-IC abuts commercial, instiuttional, industrial or open space districts. The last two sentences create a 400 ft wide buffer strip within which uses and construction must be compliant with Open Space rules. 400 ft is about the width of Russell Field. Note that the proposed 400 ft buffer strip does NOT apply to the Rindge Towers Res C district across Rindge Ave.*
C. In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.	*Cleans up the enumeration.*

PUBLIC NOTICE
RELATIVE TO ZONING

City of Cambridge

MASSACHUSETTS

Office of the City Clerk

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on Wednesday, May 1, 1996 at 6:00 P. M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition submitted by Russell A. Bromfield, Michael A. Volpe, et al to amend the Zoning Ordinances of the City of Cambridge as follows:

In Article 13.10, delete all but the first sentence from paragraph 13.14.3, such that this paragraph shall read as follows:

13.14.3. There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

In Article 13.10, add a new Paragraph 13.14.4 which reads as follows:

13.14.4. At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be not requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,
Councillor Francis H. Duehay,

In Article 13.10, delete all but the first sentence from paragraph 13.14.3, such that this paragraph shall read as follows:

13.14.3. There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

In Article 13.10, add a new Paragraph 13.14.4 which reads as follows:

13.14.4. At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be not requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.

Your kind attention in this matter will be greatly appreciated.

Very truly yours,

D. Margaret Drury

PUBLIC NOTICE
RELATIVE TO ZONING

City of Cambridge

MASSACHUSETTS

RECEIVED BY
OFFICE OF CITY CLERK
96 APR -9 AM 9:51
CAMBRIDGE MA.

Office of the City Clerk

Notice is hereby given that in accordance with the provisions of Chapter 40A, Section 5 of the General Laws, Tercentenary Edition and amendments thereto, that the Committee on Ordinances, comprised of the entire membership of the City Council, will hold a public hearing on Wednesday, May 1, 1996 at 6:00 P. M. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts on a petition submitted by Russell A. Bromfield, Michael A. Volpe, et al to amend the Zoning Ordinances of the City of Cambridge as follows:

In Article 13.10, delete all but the first sentence from paragraph 13.14.3, such that this paragraph shall read as follows:

13.14.3. There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel.

In Article 13.10, add a new Paragraph 13.14.4 which reads as follows:

13.14.4. At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be not requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited.

In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.

Copies of this petition are on file in the Office of the City Clerk, City Hall, Cambridge, Massachusetts.

All persons interested in this matter may appear at this time and be heard.

For the Committee,
Councillor Francis H. Duehay,
Chairman

David L. Wightman
Vice President, Administration
Grace Construction Products

W.R. Grace & Co.- Conn.
62 Whittemore Avenue
Cambridge, MA 02140-1692

GRACE

April 30, 1996

Margaret Drury, City Clerk
City of Cambridge
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, Massachusetts 02139

RE: Protest of Petition to Amend the Zoning Ordinance of the City of Cambridge to Add a New Section 13.14.4 Creating a 400 foot buffer zone in the IC District

Dear Ms. Drury:

On September 1, 1987, the Planning Board of the City of Cambridge issued a PUD Special Permit for the development in Zone IC of The Alewife Center Project which allows the construction of 1,050,000 square feet of office, hotel and retail space on land owned or controlled by W. R. Grace & Co.-Conn. and Alewife Land Corporation (collectively "Grace").

RECEIVED BY OFFICE OF CITY CLERK
96 MAY -1 AM 8:52

We have been informed that on Wednesday, May 1 at 6:00 p.m. in the Sullivan Chamber, City Hall, Cambridge, Massachusetts a petition submitted by Russell A. Bromfield, Michael A. Volpe et al will be considered which would amend the zoning ordinances of the City of Cambridge to add a new section 13.14.4 to the zoning bylaws. This zoning change, if adopted, would establish a 400 foot buffer zone in Zone IC which would essentially curtail further development of the Grace-owned property and render current structures non-conforming. Grace's property is the only land affected by the proposed zoning amendment. Accordingly, and in accordance with G. L. Chapter 40A, Section 5, WE HEREBY PROTEST this proposed zoning change which is targeted to materially and adversely affect solely the Grace property.

If we don't deliver value, we haven't delivered.

Consent Communication #5

Communication was received from

W. R. Grace & Co.-Conn. and Alewife Land Corporation protesting the Bromfield Volpe Petition to Amend the Zoning Ordinance.

In City Council May 6, 1996

Referred to the Petition

This protest is entered notwithstanding the fact that the proposed zoning change, if adopted, would not in any way affect the Alewife Center Project because it has the benefit of a zoning freeze as a result of the issuance of the PUD Special Permit for Alewife Center.

Sincerely,

D. L. Wightman for
W. R. Grace & Co.-Conn. and
Alewife Land Corporation

DLW/mlr

PUD-IC Amendment Petition

96 MAR -4 PM 3:43

Text of Proposed PUD-IC Zoning Amendment	*Comment*
WHEREAS the underlying Industry C ("IC) zoning district once provided a variety of protections for abutting residential areas; and	*This briefly lays out the rationale for amending PUD-IC rules.*
WHEREAS the overlying rules of a Planned Unit Development for an IC district ("PUD-IC") as described in Article 13.10 weaken or eliminate some of these protections; and	
WHEREAS current development proposals for the PUD-IC district abutting Alewife Brook Parkway are not consistent with the best interests of the adjoining neighborhood;	
NOW THEREFORE, we the Undersigned respectfully petition the Honorable, the City Council of the City of Cambridge, to amend the Cambridge Zoning Ordinance as follows:	*This is official language whereby citizens petition the City Council.*
A. In Article 13.10, delete all but the first sentence from Paragraph 13.14.3, such that this paragraph shall read as follows: "**13.14.3.** There shall be no minimum width for the development parcel and no minimum width for lots located within the development parcel."	*This preserves current PUD-IC relief from IC limits on lot subdivision, and in general threatens no harm to adjoining residential properties.*
B. In Article 13.10, add a new Paragraph 13.14.4 which shall read: "**13.14.4.** At locations where the development parcel and/or lots within said parcel abut any non-residential, higher-density residential, or open space district, there shall be no requirements for minimum front, side, or rear yards. At locations where the development parcel and/or lots within said parcel abut any Residence A or Residence B district, then there shall be a buffer strip of 400 feet measured from any point on said district boundary. Within said buffer strip, all uses and construction shall conform to the standards of an Open Space district, and commercial parking and loading are expressly prohibited."	*District IC requires modest setbacks on the side and rear of lots, but PUD-IC waives these requirements. The first sentence at left retains the current waiver of setback requirements at locations where a PUD-IC abuts commercial, instiuttional, industrial or open space districts. The last two sentences create a 400 ft wide buffer strip within which uses and construction must be compliant with Open Space rules. 400 ft is about the width of Russell Field. Note that the proposed 400 ft buffer strip does NOT apply to the Rindge Towers Res C district across Rindge Ave.*
C. In Article 13.10, renumber Paragraph 13.4.4 to be 13.4.5.	*Cleans up the enumeration.*

PUD-1C AMENDMENT PETITION

PROPOSED PROTECTION BUFFER

OFFICE OF ... JAN 1996
96 MAR -4 PM 3:43
CAMBRIDGE MA.

Currently, the "PUD-IC" (Planned Unit Development-Industrial C District) zoning allows the developer to maximize the buildable potential of a parcel with only "token" concessions to abutting neighbors.

Unlike the previous "IC" zoning, the developer may build right up to the property line. Without a "buffer zone" of significant width, a residential abutter could wind up with a radio or TV transmission station (towers!), a transformer station, a printing shop, a fast food establishment, a gas station, a food commissary, a tow yard, or a wide variety of light industrial uses, and in fact, some heavy industrial uses. These uses are fundamentally incompatible with strong established residential neighborhoods.

Although the current development does not propose any of these uses, we can not assume the developer's current proposal (300,000 square feet of retail) is anything less than a first stage. A buffer zone of 400 feet--the average width of Russell Field--would allow ample opportunity for appropriate development while lessening the impact of potentially large and loud businesses.

Consent Communication #7 [redacted] 0-2

Petition received from Russell A. Bromfield, Michael A. Volpe, et al for a proposed amendment to the Zoning Ordinance to protect residential neighborhoods in North Cambridge from inappropriate development.

6/3/96 Placed on file on motion of Councillor Triantafillow

3/18/96 No action taken meeting recessed to 3/25/96 at 4:00

In City Council March 18, 1996

3/25/96

Referred to Planning Board, The Ordinance Committee and the Law Dept.

sent to Ordinance - C. Dubay 3/27/96 gws
