Mr. Justin A. Jacobs City-Clerk

Dear Sir,

The
Superintendent of the Suburban Telephone Co. has told me that he is willing to abandon his petition so far as it affects that part of Mt. Auburn St. between Putnam Ave. and Brattle St.

With this understanding I do not care to be heard further in connection with his petition.

Will you please lay this before the Honorable Board of Mayor & Aldermen if any doubt concerning my position in that of the Telephone Co. seems to call for it?

Very truly yours
C. Wright

Cambridge, July 12 1882

To the Honorable, the Mayor, and Aldermen,
of the City of Cambridge,

The undersigned respectfully ~~prays~~ ^{represents} that he is a resident of Mr. Auburn St. Cambridge and learned on Monday last for the first time of the petition of the Suburban Telephone Co. for leave to erect poles in All: Auburn and other streets in Cambridge and is unable to be present at the hearing assigned for this evening.

That from what inquiring he has been able to make he believes that the citizens of Cambridge have not generally heard of said petition and that those who have heard of it are not in favor of its being granted.

That he questions whether said corporation should be allowed to mar the appearance of our public streets by lines of telegraph posts for the private advantage of said corporation and of such persons or any person to erect bare its lines in the absence of any public necessity or general demand for such lines may well deserve a full discussion and mature deliberation.

Wherefore the undersigned prays that the hearing upon said petition may be postponed or kept open until some further meeting of your honorable board, that the remonstrants may be fully heard.
