From Paul E. Healy, City Clerk

Reference

Subject Re-scheduling of asphalt paving in the Harvard
Sq. & Brattle Sq. area

Enclosed you will find a copy of a communication from Gary Balboni, Project Manager of the Perini Corp., transmitting notification that the streets in the Harvard Sq. and Brattle Sq. area will be closed to traffic in order to be paved with a top coat of asphalt, except for one north-bound traffic lane on Massachusetts Avenue.

Said paving was originally scheduled for Sunday, October 2, 1983, but due to inclement weather, was postponed until this coming Sunday, October 9, 1983.

The City Council at its meeting of October 3rd has requested that you contact the Chief of Police as to this proposal and to make the necessary provisions for the control of traffic in this area.

Your very kind attention in this matter will be greatly appreciated.
