Dear Mr. Mr. Flynn:

We have conducted a review of the allegations you made to this Commission by your letter dated November 6, 1992. At this time, we have determined that the matter does not require presentation to the Commission for official action. You should be aware that open meeting law issues are not within our jurisdiction. We suggest you direct those concerns to the Middlesex District Attorney's office.

While we understand you may be dissatisfied with this result, please be assured that we take all matters presented to us seriously. We appreciate your concern and we thank you for bringing this matter to our attention.

Very truly yours,

David Giannotti
