EXECUTIVE DEPARTMENT
ROBERT W. HEALY
City Manager

RICHARD C. ROSSI
Deputy City Manager

January 27, 1986

To the Honorable, the City Council:

Attached for your review and comment is the City's first open space inventory prepared jointly by the Public Works, Human Services and Community Development Departments. In accordance with requests previously made by the City Council, this document can now be used as a planning device to aid in making decisions relative to open space.

The information contained in this document has been computerized and stored. On an annual basis, as updates and changes are made, the style of the book will allow for pages to be easily replaced or revised.

This document is now being utilized by the City Manager's staff in the formulation of the forthcoming FY87 Capital Budget recommendations.

Very truly yours,

Robert W. Healy
City Manager
