

City of Cambridge

7.

IN CITY COUNCIL

April 8, 1974

Councillor Graham

WHEREAS:

The aluminum siding covering the building at 1409-1419 Cambridge Street in Inman Square seems to have contributed to the intensity and severity of the fire that occurred there on the morning of April 2, 1974; therefore be it

RESOLVED:

That the City of Cambridge conduct an investigation into the possibility that aluminum siding on wooden frame buildings is hazardous in that it contributes to the destructive effect of a fire, and if investigation determines this to be true, that appropriate safeguards be introduced into the law.

In City Council April 8, 1974.

Adopted by the affirmative vote of 8 members.

Attest:- Paul E. Healy, City Clerk.

A true copy,

ATTEST:-

A handwritten signature in cursive script, reading "Paul E. Healy".

CITY CLERK
