

May 1st V Alderman

Sir's

I wish to
request your honorable
body to abate my
assessment for widening
Beattle Street.

I was opposed to the widening.
It was done for the public
good - and being a Town
Road and a great thoroughfare
the public should pay the
expense.

Supposing you decide the
Abutters must pay -
I protest against being assessed
for improvements between
Beattle Square & Harvard Square
yours very respectfully

part of this Board.

Attest: Justin A. Jackson
City Clerk.
