To the Honorable, the City Council:

In response to City Council Order No. 20 of January 27, 1986, please be advised that the Traffic Department is currently reviewing the location of all taxi stands in the City and will meet with concerned taxi owners upon completion. In early February, the Department held a preliminary meeting at which time the taxi owners made some suggestions regarding specific locations to be investigated in the survey including the Kendall Square-Cambridge Center area. I will inform the Council of the results of this survey.

Very truly yours,
