Dear Mr. Sullivan:

In order to permit proposed renovation and restoration work at the Burying Ground in Harvard Square, it is necessary that the City Council accept the provisions of General Laws, Chapter 272, Section 73A, which permits the removal of grave stones and other memorials for purpose of repair or reproduction.

I understand that the proposed work is going to be performed under a Grant from the National Park Service.

May I suggest that you submit the enclosed Order for action by the City Council.

Very truly yours,
