Mr. Joseph E. Connarton
Assistant City Clerk
Cambridge City Hall
Cambridge, Massachusetts

Dear Mr. Connarton:

I received your letter of May 18, and I had hoped to attend the meeting on May 21, but unfortunately I will not be able to.

I do want to go on record that I will do everything I can, and will work with the City of Cambridge on easement, right-of-way, etc. to accomplish the overpass. We will make ourselves to discuss locations with any of the committee members.

Sincerely,

Max Wasserman
President
