

To the Honorable, the Board of Aldermen
of the City of Cambridge:

The undersigned respectfully pray

that the houses on Follen Street be renumbered. The present numbering of the street is old and unsuitable, since we are building two houses, each with frontage on the street, between Nos. 9 and 13.

Note:—

(A temporary way out of the present difficulty would be to renumber one house only, the present No. 9, calling it No. 7.; since there is at present no No. 7. This would be entirely satisfactory to us, but it cannot answer for many years in the future, probably. If this temporary expedient were adopted, the new houses would become Nos. 9 and 11.)
