Re: Ann J. Stokes

Dear Mayor Sullivan and The Honorable Members of the Cambridge City Council:

On behalf of my brother Joseph C. Stokes, Jr. and our families, I wish to convey to you our gratitude for the resolution passed by the City Council on September 8, 2003 expressing the City Council's deepest sympathy on the death of our mother, Anne J. Stokes. Our mother was a true "Cambridge girl" and had a deep and lifelong love of the City of Cambridge. Many times, over the last few years, I encouraged my mother to move to Maine so that she could be closer to us, but she would have none of it. She knew that Cambridge was her neighborhood and she could never leave it.

My mother was proud to be a native Cantabrigian and took great pleasure in all the wonderful friends and neighbors she had there. She lived in the City of Cambridge all of her life and spent the last 50 years at 267 Lakeview Ave. It was the only home I knew growing up and I have very fond memories of it.

My mother would have been very proud to know that the City Council recognized her and her contribution to Cambridge and, on behalf of my mother and my brother and our families, I wish to thank you for this wonderful honor.

Very truly yours,

WILLIAM R. STOKES
