CRISIS IN OUR POSTAL SERVICE IS THIS THE END OF OUR SATURDAY POST?

- Our US Postal Service is considering ending Saturday deliveries in a bid to stem it's massive financial losses.
- The Postal Workers Union, with 366,000 members is opposed to this change citing the increased workload for the already strained Monday service.
- Would it bother you if you didn't receive any more post on a Saturday?

To vote, simply check one of the boxes and fax your vote back to us. Alternatively you can mail your vote to us at the address below.
