TELEPORT BOSTON CORPORATION

Teleport Boston Corporation has applied to the Department of Public Utilities for a certificate to provide high capacity telecommunications services to non-residential customers in metropolitan Boston. The Company's initial plan is to establish a metropolitan area network which would provide service linking various buildings in the downtown area of Boston using fiber optic technology.

The above investigation is officially captioned:

Application by Teleport Boston Corporation under the provisions of Ch. 159 of the G.L. as amended, for a certificate of public convenience and necessity to operate as a resale, value-added or interexchange common carrier within the Commonwealth of Massachusetts.

The Department of Public Utilities will conduct a public hearing on the above matter at its hearing room, #1210 Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts on Thursday, February 9, 1989 at 10:00 A.M.

By Order of the Department,

MARY L. COTTRELL, SECRETARY
