To the Honorable, the City Council:

With respect to City Council Order No. 1 of October 4, 1982 relative to notifying residents of street or sidewalk projects, please be advised that the Public Works Department has instituted a notification process of either verbal or written notice to every resident affected by street or sidewalk work in coordination with the Community Development Department. In the case of other City agency work, such as the CRA or CHA, every attempt is being made to insure resident awareness of the nature, extent and purpose of said work.

Very truly yours,
