Honorable City Council
City of Cambridge
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Councilors:

Thank you for honoring us with a City Council Resolution congratulating us on our 30th wedding anniversary.

We can hardly believe that 30 years have gone by. It seems like only yesterday we were students at Rindge, and Cambridge High and Latin School.

Your thoughtful gesture is one of the things that makes Cambridge so special. For all its worldliness, it still retains the heart and character of a small New England town. We are proud and happy to call it home.

Again, we and our children Michael and Jennifer, thank you.

Sincerely,

Michael Bonislawski

Darleen Bonislawski
