CITY OF CAMBRIDGE.

Oct. 23. 1888.

In Board of Aldermen,

The Committee on Roads and Bridges,

~~to which~~ referred the petition which was requested
to consider the expediency of widening and laying out
Village Street, so-called.

Reports,

~~Recommending~~ That

Your Committee has duly considered the matter of the
Proposed widening and laying out of Village Street. In
the opinion of the Committee it is inexpedient at the
present time to take any action upon the question of
laying out this street. Your Committee deems it
unwise to lay out any unaccepted street to be
connected with Front Street, until the abutters in
such street have improved their lands and built ^{the streets}
thereon.
