Petition of the Metropolitan Transit Authority for approval by the Department of the erection, maintenance and use of poles to support the wires of its electrical system.

Appearance: William J. Fitzsimons, Esq., for the Petitioner

This is a petition of the Metropolitan Transit Authority under the provisions of section 10 of Chapter 544 of the Acts of 1947 for permission to erect, maintain and use poles to support the wires of its electric system in the City of Cambridge.

After notice, a public hearing was held on March 4, 1955 at which no one appeared in opposition, and after consideration, it is

ORDERED: That the Metropolitan Transit Authority be and hereby is granted permission to erect, maintain and use 3 poles to support the wires of its electrical system in the City of Cambridge, as follows:

One (1) pole on the southerly side of Western Avenue between Franklin Street and Green Street; Two (2) poles on the northerly side of River Street between Franklin Street and Green Street,

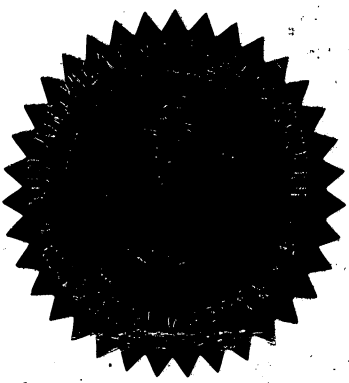

substantially as shown by red dots on plan of James A. O'Neil, Chief Electrical Engineer of the Authority, dated February 14, 1955, and also that permission be and hereby is granted to said Authority to attach its wires, appliances and electrical appliances and apparatus to said poles and to make the underground and surface alterations to the street necessary for that purpose, and the Department

DETERMINES the above described grant of location to be
in the public interest.

By order of the Department,
