To the Honorable, the City Council:

With respect to Awaiting Report Item Number 7 regarding the cruiser fleet of the Police Department, please be advised that nine (9) six-cylinder vehicles were ordered on March 20, 1981 with a 30-60 day delivery.

This should substantially upgrade the fleet and is in keeping with the established policy of replacing approximately one-third of the cruiser fleet per year.

Very truly yours,

James L. Sullivan
