

City of Cambridge

In the year One thousand eight hundred and sixty eight

An Ordinance

An Amendment of an Ordinance entitled "An Ordinance in relation to giving notice of intention to build"

Be it ordained by the City Council of the City of Cambridge, as follows

Whoever shall intend to erect a building, fence, or wall, the whole or part of which is to be placed upon or within ten feet of any one of the streets, lanes, squares, or alleys of the city, shall first apply to the City Engineer for information as to the lines and grade of said street, lane, square or alley; and it shall be the duty of the City Engineer to furnish the necessary information to such applicant, if in his power to do so, but if not, he shall proceed without delay to ascertain and determine the correct line and grade of such street, lane, square or alley, and place the same upon record in his office. In default of the application required by this Ordinance, the City shall be discharged from all responsibility for damages of any kind whatsoever, resulting from such default.

In Council of Aldermen, Nov. 4, 1868.

in Common Council

City of Cambridge.

In Board of Aldermen, Oct 28 1868

The Committee on Ordinances to whom was referred a communication from the City Engineer, in relation to encroachments upon the lines of streets and ways by the erection of buildings, and other structures, have considered the subject, and recognizing the great importance of maintaining the integrity of the public thoroughfares, recommend the adoption of an Ordinance, in amendment of that entitled "An Ordinance in relation to giving notice of intention to build" and the Committee herewith submit an Ordinance, in accordance with their recommendation.
