Dear Council Members:

As a resident here for 24 years, I have had my try at bicycling to work at Technology Square. I quit after 3 years, and switched to walking, because I realized how great the risks were in bicycling in Cambridge.

As a member of Conservation Law Foundation, I was pleased to receive information on the project to include bicycle lanes on Massachusetts Avenue from Memorial Drive to Main Street. I support these efforts to make bicycling more safe and attractive in Cambridge, and recommend that you support the proposed project.

Sincerely,

David B Fairbanks
