

Cambridge Sept 26th 1865-

To His Honor the Mayor and Board of Aldermen
of the City of Cambridge.

The undersigned to whom
was referred the petition of Walter Briggs, that
the grade of Main Street, may be given him
for the purpose of building, opposite of Lee Street,

Would respectfully report, that
the plans or records on file, do not show that
any grade of said street has ever been
established, it would therefore be impossible for
me to grant the prayer of the petitioner.

Respectfully submitted

George L. Cade

Supt. Sts & Drains.

Report of Superintendent.
