Date Sept. 26, 1977

Mr. George Teso, Traffic Director

Reference

Subject Enforcement of the Existing Truck Restriction Regulations.

I have made a study of all the signs posted in the City to insure that our Truck restricted streets were legally posted and replaced any sign that was missing or bent.

I, then met with Police Chief Davenport and some of his superior officers to discuss the procedures and laws required to stop these violators. He has informed me that his men have been stopping trucks in the past and will continue to do so in the future.
