Dear Councillors:

Thank you for forwarding to me your resolution regarding modernization of the Charles Street "T" Station.

I believe that the best way to encourage use of public transit and prevent traffic congestion is to make mass transit facilities in the Commonwealth easy and pleasant to use. I agree with you that the Charles Street Station is in need of work and I will be happy to communicate your request for modernization of the station to the Secretary of Transportation.

Thank you again for contacting me about this issue.

Sincerely,

Warren E. Tolman
