COUNCILLOR WYLIE

- WHEREAS: With Spring golfers starting golfing; and
- WHEREAS: Golfing is known to be addictive; and
- WHEREAS: Many balls will be lost; now therefore be it
- RESOLVED: The week of May 1-May 7 shall be known in Cambridge as Golf Compassion Week, and the City hereby profers its sympathy to all golfers for:
- their hopeless attempts to launch capsules into space.
 - their constant risk of being beamed from the rear.
 - their impossible pars, horrendous hooks, and pitiful puts.
 - their strained marital relations and orphaned offspring.
 - rainy days.

And the City offers tax abatement for confirmed golfers who will take a pledge to stop making divots, trade their clubs for jogging shoes or bowling balls and promise to observe the American principle that hitting a ball more times has to be better than hitting a ball fewer times.
